This author's works have been praised by numerous celebrities, the most notable being Nelson Mandela who described two of his African stories as 'Wonderful', the late Princess Diana who used to read two of his books to the Princes William and Harry when they were aged 9 and 7 years, and a former Chief Inspector of Schools for The Office for Standards in Education, Children's Services and Skills (OFSTED), who described the author's writing to the press as being of 'High quality literature.The Kilkenny Cat has been written as a trilogy. Book One deals with the theme of 'truth', Book Two with 'justice', and Book Three on the theme of 'freedom'.All three books seek to show that truth, justice or freedom cannot exist in isolation, and that the only way one can experience any one of them is when one is able to experience all three.Book Three is set in the English North and has as its backdrop, the riots that embraced this area from the 1990s onwards. Recent riots all around the country merely reflect how deeply rooted the 'gang culture' of Great Britain has since become.The trilogy is designed to show that every country on the face of the Earth exercises discrimination against some of its citizens. The nature of discrimination may subtly change and vary from one country and situation to another in both shape and form, but it will always be present in some degree for those of us who care to look.Particular forms of discrimination looked at in this trilogy include the issues of colour, race, religion, age, culture, sexism, disability, homophobia, gypsies, asylum seekers, refugees and economic migrants.These issues are looked at through the eyes of travelling cats, whose experiences mirror those of human society. Overarching all the themes of this trilogy is the issue of 'Good versus Evil', where the terms 'God' and 'Satan' are used to denote opposing values, qualities and lifestyles.The speech of the cat characters who come from Jamaica is distinguished from the speech used by non-Jamaican cats by changing the word 'you' to 'ya' and his linguistic associates, and no attempt has been made to replicate the patois more commonly used by many Jamaican citizens.The Kilkenny Cat Trilogy is an allegorical story of all manner of discrimination practised throughout the world; and particularly in Ireland, Jamaica and England. Told through the eyes and experiences of travelling gypsy cats, it is a must for all cat lovers and students of the discrimination, the 'Northern Riots', Ireland, Jamaica and Northern England and 'Good v Evil'.It is suitable for reading by teenagers and adults.

These cats have destroyed curtains, scratched couches, bitten hands, shredded toilet paper... and they are not sorry. Now they decided to celebrate their achievements in these insightful and funny poems written by themselves.With titles like "It's 6 a.m., time to wake up", "I hate the vet", "Oops, I did it again", "Let me in", and "Red dot, red dot", this collection of laugh-out-loud poems offers a cat's view on common wacky and exasperating feline behavior. It's the perfect gift for crazy cat lovers who appreciate hilarious insights into the feline nature.

Is that a shell? A pile of rocks? Waves, leaves, clouds? A stained glass window? Or just an inviting group of lines and shapes? And what do you want to do with it? It's all up to you, and it doesn't matter what you decide. This coloring book is a no-pressure invitation - to play, explore, focus, dream, or rest. These abstract, mosaic-style doodles can stimulate your imagination, free you from constraints, and pull you into a whimsical world of color. Color the shapes, color the spaces between the shapes, or color both. Emphasize patterns or fill spaces randomly. Use ninety-six colors or six, or just one! Get out a fine-tip pen and add to the designs - draw in borders, or shapes within or around the given shapes. There are even some blank pages at the end to fill with your own completely original doodles. Doodler JoAnne Lehman lives in Madison, Wisconsin, where she co-manages Zwerg Acres Urban Farm and Zwerg Acres Productions.

Best-selling sewing author, Debbie Shore has designed eighteen gorgeous quilted projects that sewers of all abilities will want to make. She begins by introducing basic quilting, binding and applique techniques, as well as detailing the materials needed. There are cosies to keep things warm and covers to protect and enhance valuables such as tablets and phones. The projects range from the more traditional egg cosies, mug hug and tea and coffee cosies to covers for a toaster, sewing machine, bottle, tissue box, chair back and more. Clear step photographs are provided where needed and there are beautiful styled shots of the finished pieces. All templates are provided.

Find Kitty Nala

A Boy Named Jack - A Storybook Series - Book Three

Alice and the Scaredy Cats

Our cat likes to hide. Can you find her?This book contains over 100 photos of our cat, Kitty Nala, who likes to hide in funny and random places. Over 60 of the photos are "puzzles" that challenge you to find her. Each photo puzzle has a matching photo "answer" showing you where she is. It's fun trying to find the kitty, and you'll chuckle at her creative hiding spots and her winning personality.

The Crazy Cat Lady is an icon in America. Is she an heiress who lost her fortune and has no job skills? A divorcee who didn't have a good lawyer? Or an angel sent by St. Francis to care for the animals? She wanders around oblivious to her own needs and, like a cattle rustler, has corralled a herd of critters in her house, her yard, her baby buggy. This kit celebrates that brand of kindhearted, single-minded devotion with a magnetic Crazy Cat Lady figure and 12 metal cats that will jump on her the first chance they get. A great gift for lovers of cats, quirkiness, or for that girlfriend who fears she's just one bad breakup away from being a Crazy Cat Lady herself.

Third in the A Boy Named Jack series about growing up on a working cattle ranch in New Mexico. These stories are all about Alice.

A different type of coloring book, "S M Coloring and Shading Books" can be as challenging or as simple to color as you wish. The pictures are sketch-like and intentionally printed lighter, so that you can color over the gray. Visit our Facebook page "S M Coloring and Shading Books" for examples, ideas, techniques and more. For a more challenging experience, use the gray shading in the picture as a guide to work on shading techniques. We like to color over or outline the darker areas with one or a few shades of a color, then color the lighter areas with a contrasting or lighter shade. For a simple coloring experience just color the picture, the gray may show through depending on what you are coloring with and your technique, this will give some depth to the picture. You can always outline in black if you prefer that look. Art and Craft Supplies Coloring Book contains over 35 one-sided pictures of art and craft supplies to color including colored pencils, tiles, shells, glass, watercolors, rocks, tools and more. Pull out your pastel pencils, colored pencils, crayons, markers or whatever you like and start coloring. (Some techniques may bleed through the paper so put extra paper in between if needed.) The pages are one-sided to enable you to take a picture out if needed for technique, framing, or a gift and not miss out on coloring the other side or have it bleed through. Be sure to check out our whole line, search "S M Coloring and Shading Books."

From Hairballs to Hair Straightening . . . Women face certain challenges when they reach, um, a certain age and who doesn't enjoy a funny cat story? With essays, really bad poetry and ridiculous photos of the author and her cats (as well as some unsuspecting family members), "Confessions of a Crazy Cat Lady . . . And Othe Possibly Demented Meanderings" offers the best of both worlds. Topics cover the full gamut of two- and four-legged dilemmas-divorced and dating after many years of marriage, purse envy, weight loss and gain, body image (human) and escape attempts, euthanasia, and rock-swallowing (critter), among other subjects. Culled from a massive literary database (aka the rather demented mind of author Sandra Gurvis), some writings appeared in publications such as Columbus Monthly, I Love Cats, and the anthology CAT'S MEOW, while others are completely original. This book is a must-read for cat ladies, aspiring cat ladies and/or people who love cats and/or women. It can also serve as precautionary guide for those wishing to avoid cat ladydom.

A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little...improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

Tracing their development from the early 1800s to the present day, Gordon shows how women's fairs have reflected and influenced American culture, including styles of display and presentation, forms of public entertainment, attitudes about consumption and commodities, and perceptions of other cultures and of the past.

From a cute Pomeranian mug to a bone-shaped welcome mat, this adorable companion to Crafting for Cat Ladies features 36 charming projects for dog lovers and their four-legged friends. Michael Showalter's Guys Can Be Cat Ladies Too is the hilarious all-access guide to help a man comprehend, appreciate, and bond with the felines in his life. They say dogs are a man's best friend. True! But what if that man's girlfriend/boyfriend, wife/husband, or mother-in-law has a cat? Is that the end for him? Is he resigned to an eternity of estrangement from this furry creature with which he shares his life partner, his favorite chair, and his sock drawer? Showalter offers hope for men everywhere in their quest to understand and love cats. In this intimate portrait of one man's love for cats, you will learn the answers to burning questions such as: "Why are they all aloof and weird and stuff?"; "They hate me, right?"; and "Is it true that they have nine lives?" Armed with these and countless other valuable lessons, by the book's end any guy can be on the fast track to becoming a cat's best friend. Praise for Guys Can Be Cat Ladies Too: "Deep stuff is decorated by fabulously absurd humor." —Catster.com "So what have your cats taught you about loving yourself?" The Design Encyclopedia is a compendium of the world of modern design over the last century and a half. Compiled from a number of primary and secondary sources by the American author and design historian Mel Byers, in consultation with an international team of design experts, this illustrated design reference guide provides the essential framework for a field that continues to generate intense interest worldwide. In this volume are all the essential facts pertaining to modern design: furniture and product design, graphic design, objects designed by architects, and the various styles and schools of design of the late nineteenth, twentieth, and early twenty-first centuries. With 832 pages and more than 700 full-color illustrations presenting the last 130 years in the history of the design of furniture, lighting, fabrics, ceramics, glassware, metalware, objects in a range of other materials, and mechanical, electrical, and electronic appliances, as well as automobiles and some inventions, this essential reference supplants Mr. Byers's earlier overview of the history of design, published in 1994. It is, however, not merely larger than its predecessor but more comprehensive, easier to navigate, and keenly focused. Here design is considered in terms of its concrete application to functional objects, relating it to craft, decorative arts, and industrial design but distinguishing it from fine art and theory. There are separate entries for designers and craftspeople, design studios, consortiums and partnerships, noteworthy manufacturers, significant historical periods and styles, and materials. The various discrete entries are organized alphabetically, and are cross-referenced where applicable. Most of the full-color illustrations are drawn from the world-renowned design collection of The Museum of Modern Art; the remainder are drawn from the Quittenbaum Kunstauktionen in Munich and Hamburg. This invaluable publication is the one essential guide for the design professional, the student, and the interested observer of design in our time.
