Join Carole P. Roman when she blasts off to colonize the planet Mars, in the newest book of her informative series. Learn about how life would be living on the Red Planet. Travel to Olympus Mons, the largest volcano in the solar system. Look into the sky and watch Phobos and Deimos, Mars' two moons. Discover what you would wear, and the eyes of an adventurous youngster like you and understand what life is like in a trip of a lifetime. Don't forget to look at the other books in the series so that you can be an armchair traveler.

Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock—and create the artwork. The fun, vibrant images are rendered in "low-poly," a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Next and voilá! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.

Express your cat-titude! Surly star of the Internet and hero of naysayers everywhere, Grumpy Cat has no use for fun and happiness. Tell the world no, nope, and not a chance with 19 colorful stickers that feature Grumpy and sullen sidekick Pokey, in all their glorious gloom.

This expansive, must-have coffee table book paints a robust portrait of the Walt Disney World Resort, across half a century, through diverse and vibrant voices and mostly unseen Disney theme park concept art and photographs. Walt Disney's vision for the Florida Project begins with Disneyland and the 1964-1965 New York World's Fair. After an imaginative and expansive design, a unique land acquisition process, and an innovative construction period, the Walt Disney World Resort celebrated its Grand Opening in October 1971. It featured a theme park dubbed the Magic Kingdom and three recreational resorts: Disney's Contemporary Resort, Disney's Polynesian Village, and Disney's Fort Wilderness Resort & Campground. As Walt Disney World consistently grew and further evolved through the five decades that followed, certain themes reverberated: an appreciation for nostalgia, a joy for fantasy, a hunger for discovery, and an unending hope for a better tomorrow. Inspirational and memorable theme parks, water parks, sports arenas, recreational water sports, world-class golf courses, vast shopping villages, and a transportation network unlike any other in the world resulted in fun, festive, and familiar characters, traditions, spectacles, merchandise, and so much more. The resort has come to represent the pulse of American leisure and has served as a backdrop for life's milestones both big and small, public and private. Walt Disney World: A Portrait of the First Half Century serves as a treasure trove for vacationers, students of hospitality, artists, and all Disney collectors. Meet the little joey whose Kangaroo mother carries him in her pouch, and the cygnet who rides on the back of the mother swan, just two members of Eric Carle's animal family. Animal babies with their caring and affectionate mothers come to life in Carle's vibrant collage. The playful question and answer text invites children and adults to read aloud together. Repetition of key phrases helps preschoolers take the first step towards reading readiness. The gamelike format makes it easy to discover more about the world of nature and to learn the common names of some familiar - and not-so-familiar - animals. At the back of the book there is a special page listing the correct, but sometimes surprising names of animal babies, their parents and groups.
