This book explores the understanding, description, and measurement of the physical, sensory, social, and emotional features of motorcycle and bicycle journey experiences in tourism. Novel insights are presented from an original case study of these forms of tourism in the Sella Pass, a panoramic road close to the Dolomites UNESCO World Heritage Site. A comprehensive mixed-methods strategy was employed for this research, with concurrent use of quantitative and qualitative methods including documentation and secondary data analysis, mobile video ethnography, and emotion measurement. The aim was to create a holistic knowledge of the features of journey experiences and a new definition of the mobility space as a perceptual space. The book is significant in that it is among the first studies to explore the concept of journey experiences and to develop an interdisciplinary theoretical foundation of mobility spaces. It offers a comprehensive understanding and a benchmarking of the features of motorcycling and cycling journey experiences, a deeper market knowledge on motorcycling and cycling tourists, and a set of tools, techniques, and recommendations for future research on tourist experiences.

The Story of the Tour de France

Umbria

Un altro anno è passato. La Revolución complicata della stagione firmata Luis Enrique è ormai solo un ricordo. Dopo un'annata esaltante al Pescara, alla Roma arriva Zeman, garanzia di bel calcio e tanti gol. I tifosi tornano allo stadio con rinnovato entusiasmo, e insieme a loro torna Kansas City 1927, il fenomeno calcistico del web italiano, a raccontarci le avventure della squadra della Capitale. Diego Bianchi e Simone Conte descrivono nel loro inimitabile romanesco i volti nuovi schierati dal tecnico boemo, il gioco offensivo, le prime vittorie, la difesa ballerina, e poi le tremende sconfitte e l'inevitabile esonerò, con annessa disgregazione del sogno zemaniano. Ma questi cupi risvolti non deprimono gli autori, che continuano -l'autoterapia di gruppo- anche durante la gestione del traghettatore Andreazzoli. Il risultato è un secondo volume più irresistibile del primo, impreziosito dalle tavole inedite di Zerocalcare, ricco di citazioni colte e forte di una lingua variopinta e poetica, che mescola una prosa gaddiana con una comicità alla Alberto Sordi. E anche se la Roma rimane invischiata in una transizione senza fine, Kansas City 1927 non si sottrae dal raccontare un campionato più difficile del previsto, in attesa di tempi migliori.

The Great Dictionary Italian - English

What they are saying about The Story of the Tour de France: After forty years of study on the subject, I can with some confidence say Bill and Carol McGann's The Story of the Tour de France is the finest such work ever produced in the English language, and perhaps in any. Most of my preferred references are in French, one runs to over 800 pages, yet the McGanns' opus revealed information new to me in almost every paragraph. Their research has been not only impeccable, but insightful. -Owen Muhlolland, author of Uphill Battle and Cycling's Golden Age The Story of the Tour de France: How a Newspaper Promotion Became the Greatest Sporting Event in the World Bill and Carol McGann is a must read. -Road Bike Action Magazine For any historian of the sport the McGanns'Tour de France history is essential reading. Details of the stages and the riders are not glossed over. For those who are new to the sport, the McGanns bring the glory days of the sport alive with the intrigue that still exists today. Epic stages that might have faded into oblivion are eloquently recounted so that future generation of cyclists will know the rich history of our beautiful sport. -Neil Browne, editor, Road Magazine Besides towering over all bicycle races, the Tour de France endures for its unique Gaulic character, like Victor Hugo's Les Miserables. The McGanns' passionate and insightful writing evokes the raucous cast of riders, promoters, and journalists thrusting through highs and lows worthy of opera. This volume stands out as a must-read book for anyone seeking to appreciate cycling's race of races. -Peter Joffre Nye, author of The Six-Day Bicycle Races: America's Jazz Age Sport and Hearts of Lions Volume 1 of The Story of the Tour de France concluded with Jacques Anquetil's record setting fifth Tour win. Volume 2 opens with the greatest Italian racer of the modern age, Felice Gimondi and his effortless victory at the young age of 22. Despite his extraordinary talent, he never won the Tour again. Starting in 1969, Eddy Merckx began his run of 5 victories. Bernard Hinault, who also managed to win 5, followed him. Unable to fulfill his destiny as a likely 5-time winner because of a hunting accident, LeMond won the Tour 3 times. LeMond's era was followed by the remarkable Spaniard Miguel Indurain, the first man to win the Tour 5 times in a row. The late 1990s were a time of extreme crisis for the Tour as the culture of doping within the professional cycling community erupted into the scandal of 1998. The Story of the Tour de France deals with this episode at length. Emerging from a near-fatal bout of cancer, Lance Armstrong went on to do what no other rider in the Tour's long history had ever been able to accomplish, win the Tour 7 times. Following Armstrong's retirement, the Tour was again seized by scandal, this time Floyd Landis' disqualification for drugs after winning the 2006 Tour. The book concludes with the story of the 2007 Tour, followed by a quest for the greatest ever Tour de France rider and an epilogue that explains the reasons for the extraordinary success of the Tour. Bill and Carol McGann have had their lives inextricably tied up with bicycles about as long as they can remember. Their first date was a bike ride. Bill, formerly a Category 1 racer, has been a contributor to several cycling magazines and is widely acknowledged as an expert on road bikes and cycling history. Since his father gave him a small 1-speed English lightweight bicycle when he was 5 years old, Bill has been in love with everything about bikes. Carol, a former college biology instructor is also an accomplished rider, having cycle-toured extensively. Together they started Torelli Imports in 1981, a firm specializing in high-performance cycle equipment.

From PEN/Hemingway award winner Brigid Pasulka, the “charming...refreshing tale” (The New York Times Book Review) of a widowed butcher and his son whose losses are transformed into love in a small town on the Italian Riviera. In the seaside village of San Benedetto, twenty-two-year-old Etto finds himself adrift. Within the past year, Etto has not only lost both his twin brother and his mother, but in his grief has become estranged from his father, the local butcher. While his father passes the time with the men of the town in the fine tradition of Italian men everywhere—a reverential obsession with soccer—Etto retreats ever further from his day-to-day life, seeking solace in the hills above the town. But then a Ukrainian soccer star, the great Yuri Fil, sweeps into San Benedetto, taking refuge himself from an international scandal. Soon Yuri and his captivating sister Zhuki invite Etto into their world of sport, celebrity, loyalty, and humor. Under their influence, Etto begins to reconstruct his relationship with his father and, slowly, open himself back up to the world. Who knows: perhaps the game of soccer isn’t just a waste of time, and perhaps San Benedetto, his father, love, and life itself might have more to offer him than he ever believed possible. “Full of light and surprising grace, [The Sun and Other Stars] is both a poetic coming-of-age story and a poignant examination of the nature of family and belonging” (The Boston Globe). It is a gorgeous, celebratory novel about families, compromise, and community, a big-hearted masterpiece that showcases a writer at the joyful height of her talents.
