

Warwolfe (de Wolfe Pack Book 1)

1301 A.D. - Following the great quest north with Cortez de Bretagne (THE QUESTING), de Bretagne's knight, Sir Drake de Winter, returns home to the great de Winter empire in Norfolk but it is not the safe and wonderful haven he remembers. Family unrest causes him to flee to London and into the service of the elderly King Edward I, a personal friend of Drake's father. In Edward's service, Drake finds himself in Scotland as a major player in the Siege of Caerlaverock Castle. In a moment of pure luck, he saves the king from great injury and in thanks, Edward gifts Drake with an heiress for a wife. But it is not the happy circumstance most men would see it as. Drake, a confirmed bachelor, cannot refuse the gift of a wife and is therefore forced to wed Lady Elisaveta du Reims, daughter of the last Earl of East Anglia. Beautiful and intelligent, Elisaveta is English by birth, yet of Scots and French blood, making her very much an enemy of England during these turbulent times. Although Drake is polite to her, he does not trust her. He does not want her. However, he cannot resist the feelings she stirs within him but his instincts tell him to beware. His instincts are correct; Elisaveta is not as she seems. Her heart belongs to France and to Scotland, but with the introduction of a new husband, her loyalties are torn. She, too, cannot resist the feelings the powerful young knight stirs within her. Join Drake and Elisaveta on this unforgettable and passionate adventure. Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other? 1187 A.D. - The call him the Great Defender. As Richard the Lionheart's most powerful general, Sir Juston de Royans is as moody as he is skilled. Reminiscent of the ancient warrior Achilles, Juston fights when it is necessary, instead choosing to command the powerful men beneath him. Never wrong in action or command, he has never lost a battle and when he finds himself in the midst of a terrible siege at Bowes Castle, he predictably emerges the victor with the lady of the keep as his prize. And that's when the trouble begins. When the never-wrong egotist meets the flame that will melt his frozen heart, a romance of epic proportions happens.

1066 A.D. - Discover the origins of the original de Wolfe pack, led by the man known as WARWOLFE. Before the Duke of Normandy conquered England, a legend arose. A man so fierce, so brave, and so noble, that the mere whisper of his name could strike both fear and admiration into the hearts of all men. That name is Warwolfe. Gaetan de Wolfe is this man. A legend from a family of legends, the greatest de Wolfe warrior arises as William the Conqueror sets foot in England to claim what he believes is his birthright. Gaetan brings with him nine of the fiercest knights the realm has ever seen, plowing their way into the English countryside, forging their legacies at the Battle of Hastings. But when one of Gaetan's men is kidnapped by the rogue brother of the Earl of Mercia, Gaetan refuses to let his man go. His loyalty to his men is above all. A rescue mission of epic proportions begins. Guiding the original de Wolfe Pack on this task into deadly enemy territory is a lady warrior known as Ghislaine of Mercia. The sister of the man who kidnapped Gaetan's knight, her loyalties are torn. Wary of the big Norman knight with the fierce manner, her attraction to Gaetan is nonetheless undeniable. There is a spark between them that refuses to die. Together, Gaetan and Ghislaine embark on a dangerous adventure where myths are revealed, loyalties are tested, and where a growing passion between them becomes all-consuming. Live the legend.
