That's just one of the findings reported here, as legendary career expert Richard N. Bolles presents new research about resumes in a guide that summarizes everything job-hunters and career-changers need to know about this essential tool. This timely resource features the latest research on important resume topics such as key words, soft skills, scanning software, social media, and online posting. Bolles argues that on the basis of what we now know, we need to rethink what a resume is—and how it should be written. He details the words that must be avoided, and the words that must be used, on a resume that wins you interviews. This slim volume distills a huge amount of information down to its very essence. Armed with tips and shortcuts based on the author's decades of experience, you can

craft a resume and cover letter that will stand out to your dream employers—and increase your chances of getting interviews and landing jobs.

Use the latest technology to target potential employers and secure the first interview--no matter your experience, education, or network--with these revised and updated tools and recommendations. "The most practical, stress-free guide ever written for finding a white-collar job."—Dan Heath, coauthor of *Switch* and *Made to Stick* Technology has changed not only the way we do business, but also the way we look for work. The 2-Hour Job Search rejects laundry lists of conventional wisdom in favor of a streamlined job search approach that produces results quickly and efficiently. In three steps, creator Steve Dalton shows you how to select, prioritize, and make contact with potential employers so you can land that critical first interview. In this revised second edition, you'll find updated advice on how to efficiently surf online job postings, how to reach out to contacts at your dream workplace and when to follow up, and advice on using LinkedIn, Indeed, and Google to your best advantage. Dalton incorporates ideas from leading thinkers in behavioral economics, psychology, and game theory, as well as success stories from readers of the first edition. The 2-Hour Job Search method has proven so successful that it has been shared at schools across the globe and is a formal part of the curriculum for all first-year MBAs at Duke University. With this book, you'll learn how to make it work for you too.

A latest edition of the companion workbook to the popular job-seeker's reference incorporates write-in sections for recording and learning from job search details, in a resource that invites readers to explore options using the author's latest methods.
