English for Children Picture Book Series English for Children (Musical Dialogues) consists of 24 lessons designed for children from ages 1-6 for English as native speakers, and 4 to 12 for ESL and EFL learners. Older students with no background in English may enjoy the songs and videos as well. Music involves the children and supports their ability to understand and remember the new vocabulary. Each lesson introduces approximately 6-20 words and is presented in musical dialogue form.

You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. And even if the words include things like **BLAGGITY** **BLAGGITY** and **MY HEAD IS MADE OF BLUEBERRY PIZZA!** That's the rule. That's the deal. Brilliantly irreverent and very, very silly. The Book With No Pictures will delight kids and have them begging for more. From award-winning US comic writer and actor, B.J. Novak.

***There are photography books on the market today that consist of pictures and some pictures may include who is in the picture and the location of the picture. This book goes beyond just pictures because I include stories (personal thoughts) to some pictures to make them more interesting. There is a saying that goes: "Pictures tell a story." Well, there are some stories that are as interesting as the picture itself. There are three things that make this photography book different from others in the market: - There is a poem I wrote about September 11, 2001. The poem is after the pictures of the 911 memorial in New York. - If someone is looking for an Alzheimer's support group online then please see the flower picture for details. - The pictures in this book consist of various subjects instead of all on one subject***

***If you want to train your child to think and perhaps boost his/her memory too, then you need to have a copy of this book. Your child will love to have this book because of its clean layout, and fun designs. It is highly effective in molding good study habits, as well as an interest in the learning process. ***Inside a tent it's cozy. But what is going on outside? Is it dark? Is it scary? Not if you have your trusty flashlight! Told solely through images and using a spare yet dramatic palette, artist Lizi Boyd has crafted a masterful exploration of night, nature, and art. Both lyrical and humorous, this visual poem—like the flashlight beam itself—reveals that there is magic in the darkness. We just have to look for it.***

hatever may be thought of the somewhat aristocratic pretensions of the lion, as the dog, after all, has the reputation of being the most intelligent of the inferior animals, I will allow this interesting family the precedence in these stories, and introduce them first to the reader. For the same reason, too—because they exhibit such wonderful marks of intelligence, approaching, sometimes, almost to the boundary of human reason—I shall occupy much more time in relating stories about them than about any other animal. Let me see. Where shall I begin? With Rover, my old friend Rover—my companion and play-fellow, when a little boy? I have a good mind to do so; for he endeared himself to me by thousands of acts of kindness and affection, and he has still a place of honor in my memory. He frequently went to school with me. As soon as he saw me get my satchel of books, he was at my side, and off he ran before me toward the school-house. When he had conducted me to school, he usually took leave of me, and returned home. But he came back again, before school was out, so as to be my companion homeward. I might tell a great many stories about the smartness of Rover; but on the whole I think I will forbear. I am afraid if I should talk half an hour about him, some of you would accuse me of too much partiality for my favorite, and would think I had fallen into the same foolish mistake that is sometimes noticed in over-fond fathers and mothers, who talk about a little boy or girl of theirs, as if there never was another such a prodigy. So I will just pass over Rover's wonderful exploits—for he had some, let me whisper it in your ear—and tell my stories about other people's dogs.

Enigmatic drawings invite the reader to invent his or her own stories to explain each scene.

Chloe and the Lion

**Meet Chloe: Every week, she collects loose change so she can buy tickets to ride the merry-go-round. But one fateful day, she gets lost in the woods on her way home, and a large dragon leaps out from—"Wait! It's supposed to be a lion," says Mac Barnett, the author of this book. But Adam Rex, the illustrator, thinks a dragon would be so much cooler (don't you agree?). Mac's power of the pen is at odds with Adam's brush, and Chloe's story hangs in the balance. Can she help them out of this quandary to be the heroine of her own story? Mac Barnett and Adam Rex are a dynamic duo, and two of the strongest contemporary voices in picture books today. In an accessible and funny way, Chloe and the Lion talks about the creative process and the joys and trials of collaboration.**

Goodnight, I Wish You Goodnight is the first book in the continuing Hood Picture Book Series. This is a delightful bedtime story to soothe and relax young children before they fall asleep. The tradition of the bedtime story has been around since before the written word. For generations, and in every culture around the world, parents have prepared their children for bed by telling them stories. Goodnight, I Wish You Goodnight is a soothing bedtime story to be told and retold. With the popularity of Japanese Anime cartoon styles, the artwork in this book will entertain young readers as they participate in the nighttime ritual of saying “ goodnight ” to all of their beloved treasures. Enjoy this easy-to-read bedtime story by author Karen Jean Matsko Hood. Each one of the pages is thoughtfully illustrated with warmth and love. Your children and grandchildren will ask you to read this book to them again and again. This book is a must for all families to have in their library. Goodnight, I Wish You Goodnight makes a great gift for that special friend or child to enjoy.

One of the greatest sports figures of all time at last breaks his silence in a memoir as unique as the man himself. Number 4. It is just about the most common number in hockey, but invoke that number and you can only be talking about one player -- the man often referred to as the greatest ever to play the game: Bobby Orr. From 1966 through the mid-70s he could change a game just by stepping on the ice. Orr could do things that others simply couldn ’ t, and while teammates and opponents alike scrambled to keep up, at times they could do little more than stop and watch. Many of his records still stand today and he remains the gold standard by which all other players are judged. Mention his name to any hockey fan – or to anyone in New England – and a look of awe will appear. But skill on the ice is only a part of his story. All of the trophies, records, and press clippings leave unsaid as much about the man as they reveal. They tell us what Orr did, but don ’ t tell us what inspired him, who taught him, or what he learned along the way. They don ’ t tell what it was like for a shy small-town kid to become one of the most celebrated athletes in the history of the game, all the while in the full glare of the media. They don ’ t tell us what it was like when the agent he regarded as his brother betrayed him and left him in financial ruin, at the same time his battered knee left him unable to play the game he himself had redefined only a few seasons earlier. They don ’ t tell about the players and people he learned to most admire along the way. They don ’ t tell what he thinks of the game of hockey today. Orr himself has never put all this into words, until now. After decades of refusing to speak of his past in articles or “ authorized ” biographies, he finally tells his story, because he has something to share: “ I am a parent and a grandparent and I believe that I have lessons worth passing along. ” In the end, this is not just a book about hockey. The most meaningful biographies and memoirs rise above the careers out of which they grew. Bobby Orr ’ s life goes far deeper than Stanley Cup rings, trophies and recognitions. His story is not only about the game, but also the age in which it was played. It ’ s the story of a small-town kid who came to define its highs and lows, and inevitably it is a story of the lessons he learned along the way.

Indestructibles are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it!gumming, spilling, dragging across the floor! Indestructibles are the little books that could. They're indestructible. And if they get dirty, just throw them in the washing machine or dishwasher. Baby Faces features baby's favorite thing: pictures of other babies. It's a book for parents and children to share together the many moods of a baby.

Recounts without words the adventures of a boy and his winged horse.

If you give a child a box, who can tell what will happen next? It may become a library or a boat. It could set the scene for a fairy tale or a wild expedition. The most wonderful thing is its seemingly endless capacity for magical adventure, a feature imaginatively captured in cardboardesque art and rhythmically celebrated in this poetic tribute. This board book edition of the popular 2016 picture book of the same name takes the literal shape of a box to bring an imaginative concept to life.

Richly detailed and realistic illustrations bring this rarely published, humorous Brothers Grimm masterpiece to life When a hare insults a humble hedgehog one morning in the field, they challenge each other to a race. The hare is sure he will win the race and get the gold coin. But the hedgehog has a secret plan up his sleeve that will demonstrate how brain power can beat brawn any day of the week. With masterful illustrations by Jonas Lauströer, this little-published gem from the Brothers Grimm leaps off the page, and will delight fairy tale fans of all ages.

**A modern, magic adventure with a difference. The Key element is humour. The delivery is pacey, direct and very action based. Characters are believable, with quirky personalities. A hilarious story of a dizzy witch and her two best friends, a lazy cat and a neurotic mouse, who make spells in the crazy kitchen of their magic house in Parsley Lane.**

**Introducing two new titles that let kids celebrate Mom and Dad in the best and most personal way—through their own words and pictures! Sweet, lively, and engaging, A Book about Mom with Words and Pictures by Me, and A Book about Dad with Words and Pictures by Me are unique fill-in books that invite kids to be author and illustrator and create a one-of-a-kind gift for Mom and Dad. Every page has a heartwarming, imaginative (and sometimes cheeky!) prompt—a sentence to finish or an illustration to complete—to help kids capture everything they know and love about their parent, from their favorite things to do together to what kind of pizza topping they would be. A sheet of illustrated stickers gives kids even more ways to customize the work! Each book starts with a letter to parent from child, and then the fun begins, from: Your favorite animal is \_\_\_\_\_. You are terrified of \_\_\_\_\_! To: I wrote a story about you. Want to read it together? To: Look! I drew a picture of us on an intergalactic space adventure! And finally: This is us, having the greatest adventure ever. I love you, Mom! This is us, doing what we do best. I love you, Dad! The end result? A treasured keepsake of a gift, perfect for Mother’s Day, Father’s Day, Christmas, birthdays, or any special occasion. When he runs out of toilet paper, Leon must find something else to use. With that, his troubles begin.**
