Samuel Langhorne
Clemens (November 30,

better known by his pen name Mark Twain, was an American author and humorist. He wrote The Adventures of Tom Sawyer (1876) and its sequel, Adventures of

Download Free Answers To Edmentum Tests

Huckleberry Finn (1885), the latter often called "The Great American Novel." Twain grew up in Hannibal, Missouri, which provided the setting for Huckleberry Finn and

Download Free Answers To Edmentum Tests

Tom Sawyer. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother, Orion

Download Free Answers To Edmentum Tests

Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of

Download Free Answers To Edmentum Tests

success at mining, turning to journalism for the Virginia City Territorial Enterprise. In 1865, his humorous story, "The Celebrated Jumping Frog of

Download Free Answers To Edmentum Tests

Calaveras County," was published, based on a story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story

Download Free Answers To Edmentum Tests

brought international attention, and was even translated into classic Greek. His wit and satire, in prose and in speech, earned praise from critics and peers, and he was a

friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that

Download Free Answers To Edmentum Tests

lost a great deal of money, notably the Paige Compositor, a mechanical typesetter, which failed because of its complexity and imprecision. In the wake of these financial

Download Free Answers To Edmentum Tests

setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers eventually overcame his financial troubles. Twain

Download Free Answers To Edmentum Tests

chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he

Download Free Answers To Edmentum Tests

predicted that he would "go out with it," too. He died the day after the comet returned. He was lauded as the "greatest American humorist of his age," and William

Download Free Answers To Edmentum Tests

Faulkner called Twain "the father of American literature." Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities,

Download Free Answers To Edmentum Tests

hypocrisies and murderous acts of mankind. At mid-career, with Huckleberry Finn, he combined rich humor, sturdy narrative and social criticism. Twain

Download Free Answers To Edmentum Tests

was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and

language. Many of Twain's works have been suppressed at times for various reasons.

Adventures of Huckleberry Finn has been repeatedly

restricted in American high schools, not least for its frequent use of the word "nigger," which was in common usage in the pre-Civil War period in which the novel was set.

"Once touted as the single best way to measure students from diverse backgrounds, schools, and experiences, standardized college admissions tests are now

Drawing upon the expertise of higher education researchers, admissions officers, enrollment managers, and policy professionals, this edited volume is

among the first to investigate the research and policy implications of test-optional practices. It was conceived in response to the editors' frustration with the
