Names are gifts that parents choose for children; gifts to last a lifetime.1001 Names for Australian Babies is a collection of given names, including traditional, biblical, ethnic, modern and invented names, as well as their origins, meanings and variations.A practical guide for all parents seeking that unique name for their child.

Lily and Rose&feminine names from the world of flowers Jordan and Joseph&ua strong pair of J names rich with religious meaning Charles, Lucie, and Alexandrea&ua trio of timeless names from A Tale of Two Cities by Charles Dickens Choosing the perfect name for a baby is hard enough; choosing complimentary names for multiples and siblings can prove even harder! This book presents more than 10,000 such names. This one-of-a-kind moniker manual provides parents with unique naming strategies and clever ideas for combinations, including name pairings inspired by rhyme and meter, alliteration, great literature, music, religious beliefs, and more. With pronunciation guides, etymological information, and word meanings, this unique collection of baby names is all parents need to bless their babies with perfect names!

This ultimate collection of unique, unisex baby names—from traditional to modern—including the origin and history of the name, and any cultural icons (men or women) who share the name. What's in a name? A lot. For generations, they've indicated a lot about a person: their family history, personality traits, and qualities—and let's not forget about nicknames, both good and bad. But while a name may have special significance to the parents who choose it, when you stop and think about it, there's little else it can reveal about a baby, or the child that child grows into. Try to accurately imagine what a kid named Frankie looks like...he could be a preschool boy who loves to paint or a teenage girl who is the star of her track team. Same goes for Casey, Jamie, or Taylor. Just as we no longer automatically choose "girl" (pink) or "boy" (blue) colors, today's parents want their child to have a unique name that defies stereotypes. This one-of-a-kind book compiles the best gender-neutral baby names for your child, along with fun "Top 5 Lists that Make Unique Baby Names" sprinkled throughout (including foods, mythological places, surnames, and more). Use as a guide or read it cover-to-cover—or dip into specific chapters if you've already got a first letter in mind. Have fun, be creative, and know that whatever name you choose, your baby will be a unique and amazing person who defines themselves.

Choosing your baby's name is incredibly important, as the name carries a unique weight and meaning that the girl or boy will carry for life. The meaning of a name is often the reason behind the choice, but what about other more fascinating influences? Astrology has helped shape and guide us for millennia, and can even reveal hidden aspects of our potential and personality. The stars are able to give a fresh dimension to our names, so selecting one isn't the exclusive reserve of the newly born, but is for adults, too! If you're looking for a name to suit your child (or even yourself!), this comprehensive A–Z guide from Russel Grant is ideal. Arranged by sun sign, with a special appendix covering the planetary rulers, it has everything you need to decide on the right name to bring out the best in your baby or you, including a special fact file for each zodiac sign, how the planets influence every name, and thousands of names from around the world. Choosing your baby's name has never been so much fun!

Baby Names: A Complete Name Book With Thousands of Boys and Girls Names - Including the Means and Origins Behind Them

As a thin ribbon of smoke rose from the edge something stirred in me and I slapped the book against the railing until small specks of fire fell to the floor and died down. It was not just a book of baby names. It was an unusual memoir my father was leaving behind, memories condensed into names; memories of many kisses, lovemaking, panting and feeling spent. Can a life be like a jigsaw puzzle, pieces waiting to be conjoined? Like a game of hide-and-seek? Like playing statues? Can memories have colour? Can the sins of the father survive his descendants? In a family - Is it a family if they don't know it? - that does not rely on the weakness of memory runs a strange register of names. The odd book of baby names has been custom-made on palace stationery for the patriarch, an eccentric king, one of the last kings of India, who dutifully records in it the name of his every offspring. As he bitterly draws his final breaths, eight of his one hundred rumoured children trace the savage lies of their father and reckon with the burdens of their lineage. Layered with multiple perspectives and cadences, each tale recounted in sharp, tantalizing vignettes, this is a rich tapestry of narratives and a kaleidoscopic journey into the dysfunctional heart of the Indian family. Written with the lightness of comedy and the seriousness of tragedy, the playfulness of an inventive riddle and the intellectual heft of a philosophical undertaking, The Odd Book of Baby Names is Salim's most ambitious novel yet.

Choosing a name for your baby doesn't have to be stressful. It can be fun, or at least funny, when you turn to this tongue-in-cheek guide for advice. This comprehensive guide to baby names is about what not to name your baby. As such, it offers a little comic relief from the baby name dilemma and reminds you that whatever name you choose, someone will find humor in it.

LOOKING FOR A NAME THAT MEANS SOMETHING SPECIAL TO YOU? Given the dizzying array of choices available, picking the right name for your baby can be daunting. Why waste hours looking through one long alphabetical list of names just to burn out even before you've run through A, B, and C? In this creative twist on the traditional name book, Baby Names Made Easy offers selections organized into categories of meaning, making it easier than ever to choose a name that is significant to you. Traditional or trendy, American in origin or from all over the globe, the names here cover an array of topics. For example, look under: Animals & Insects (and find "Naia" -- Hawaiian for "dolphin") Victory (and find "Vincent" -- Latin for "conquerer") Love & Affection (and find "Mia" -- Italian for "mine") Religion & Faith (and find "Dev" -- Sanskrit for "God") The book's handy alphabetical index makes cross-referencing easy, so you can find the perfect name in no time. Baby Names Made Easy is a practical and one-of-a-kind reference for anyone searching for the most important gift they can give their child.
