In the new epic historical novel by New York Times bestselling author Conn Iggulden, in ancient Greece an army of slaves gathers on the plains of Marathon . . . Determined to exact justice for an assassinated Caesar when his murderers are cleared of any wrongdoing by the senate, loyal supporter Mark Antony and Caesar's heir, Octavian, struggle to put aside their differences to work together. By the best-selling author of *The Dangerous Book for Boys*. Reprint.

In the year 937, the new king of England, a grandson of Alfred the Great, readies himself to go to war in the north. His dream of a united kingdom of all England will stand or fall on one field—on the passage of a single day. At his side is the priest Dunstan of Glastonbury, full of ambition and wit (perhaps enough to damn his soul). His talents will take him from the villages of Wessex to the royal court, to the hills of Rome—from exile to exaltation. Through Dunstan's vision, by his guiding hand, England will either come together as one great country or fall back into anarchy and misrule . . . From one of our finest historical writers, *The Abbott's Tale* is an intimate portrait of a priest and performer, a visionary, a traitor and confessor to kings—the man who can change the fate of England.

The brilliant retelling of the Wars of the Roses continues with *Trinity*, the second gripping novel in the new series from historical fiction master, Conn Iggulden. 1454: King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness for over a year, his eyes vacant, his mind a blank. His fiercely loyal wife and Queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day know the love of his father. Richard Duke of York, Protector of the Realm, extends his influence throughout the kingdom with each month that Henry slumbers. The Earls of Salisbury and Warwick make up a formidable trinity with Richard, and together they seek to break the support of those who would raise their colours in the name of Henry and his Queen. But when the King unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York will surely mean a war to tear England apart . . . Following on from *Stormbird*, *Trinity* is the second epic instalment in master storyteller Conn Iggulden's new Wars of the Roses series. Fans of *Game of Thrones* and *The Tudors* will be gripped from the word go. Praise for *Stormbird*: 'Pacey and juicy, and packed with action' *Sunday Times* 'Energetic, competent stuff; Iggulden knows his material and his audience' *Independent* 'A novel that seamlessly combines narrative, historical credence and great knowledge of the period' *Daily Express* 'A page-turning thriller' *Mail on Sunday* 'Superbly plotted and paced' *The Times*

Rarely, if ever, does a new writer dazzle us with such a vivid imagination and storytelling, flawlessly capturing the essence of a land, a people, a legend. Conn Iggulden is just such a writer, bringing to vivid life one of the most fascinating eras in human history. In a true masterpiece of historical fiction, Iggulden takes us on a breathtaking journey through ancient Rome, sweeping us into a realm of tyrants and slaves, of dark intrigues and seething passions. What emerges is both a grand romantic tale of coming-of-age in the Roman Empire and a vibrant portrait of the early years of a man who would become the most powerful ruler on earth: Julius Caesar. On the lush Italian peninsula, a new empire is taking shape. At its heart is the city of Rome, a place of glory and decadence, beauty and bloodshed. Against this vivid backdrop, two boys are growing to manhood, dreaming of battles, fame, and glory in service of the mightiest empire the world has ever known. One is the son of a senator, a boy of privilege and ambition to whom much has been given and from whom much is expected. The other is a bastard child, a boy of strength and cunning, whose love for his adoptive family—and his adoptive brother—will be the most powerful force in his life. As young Gaius and Marcus are trained in the art of combat—under the tutelage of one of Rome's most fearsome gladiators—Rome itself is being rocked by the art of

treachery and ambition, caught in a tug-of-war as two rival generals, Marius and Sulla, push the empire toward civil war. For Marcus, a bloody campaign in Greece will become a young soldier's proving ground. For Gaius, the equally deadly infighting of the Roman Senate will be the battlefield where he hones his courage and skill. And for both, the love of an extraordinary slave girl will be an honor each will covet but only one will win. The two friends are forced to walk different paths, and by the time they meet again everything will have changed. Both will have known love, loss, and violence. And the land where they were once innocent will be thrust into the grip of bitter conflict—a conflict that will set Roman against Roman...and put their friendship to the ultimate test. Brilliantly interweaving history and adventure, Conn Iggulden conjures a stunning array of contrasts—from the bloody stench of a battlefield to the opulence of the greatest city in history, from the tenderness of a lover to the treachery of an assassin. Superbly rendered, grippingly told, Emperor, The Gates of Rome is a work of vaulting imagination from a powerful new voice in historical fiction. From the Hardcover edition.

These are the first three stories of the Tollins. Yes, they do have wings, but no, they aren't fairies. Tollins are a lot less fragile than fairies. In fact, the word fragile can't really be used to describe them at all. They are about as fragile as a house brick. In "How to Blow Up Tollins" a fireworks factory comes to the village of Chorleywood and the Tollins find themselves being used as industrial supplies. Being blasted into the night sky or spun round on a Catherine wheel is nowhere near a much fun as it sounds. It's up to one young Tollin to save his people from becoming an ingredient. In "Sparkler and the Purple Death" our hero looks execution in the face. Luckily, the executioner's mask is backwards. Finally, in "Windbags and Dark Tollins" Tollin society faces a threat from the Dorset countryside, which, again, is much more frightening and nail-bitingly dramatic

than it actually sounds.

Following the defeat of the Spartacus rebellion, Julius Caesar and Marcus Brutus, who have been sent to run the Roman colonies in Spain, return to challenge powerful senators to become one of the Consuls of Rome.
