

End Of Eden Se7en Sinners Book 2

Perma-single Amy Clarke prides herself on three things: her pink hair, her Converse collection, and her ability to drink copious amounts of margarita without puking. She isn't looking for love. She's perfectly content with her simultaneous love affairs with Netflix and both Ben and Jerry. The trouble is, sometimes, love finds you. Five months ago, he climbed aboard her train, and nothing has been the same since. Fast-forward to now, she still doesn't know his name, but she knows she wants his babies. Her crush!this tall, dark, and handsome dork who gets on her train every other Monday/has no idea he brightens her day with his panty-wetting smile and laugh that makes her pulse quicken. When a chance encounter outside of work forces them to have their first proper conversation, things quickly go from loving him from afar to up close and very personal. With a string of disastrous exes in her past, has Amy finally found her Mr Perfect? Or does fate have other plans? A new stand-alone romcom from Kirsty Moseley, best-selling author of *The Boy Who Sneaks in My Bedroom Window* and *Nothing Left to Lose*.

LOVE. SEX. MAGIC. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, both love and good sex were virtually a myth. And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and instantly become what she was destined to be? Lucky for Gabs, sexy sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now. Dark Light, Book 1 of the Dark Light Series is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-bitting addition for the man she can't deny, no matter the cost. *Contains strong adult content.

loelyn was given to the Horde by a Tithe owed to them by her court. She had no plan of letting them claim her, or entering her court. One arrow should have ended it, only it didn't stop. Instead, she's now prisoner to the broody, cocky, self-absorbed prince that makes her want things she's never thought possible. Will she be able to resist him and save her court from the horrors that the Horde has planned? Sinjinn had a mission: Get Callean to the Winter Court to claim his bride. It should have been simple. Instead, he gets taken down by a wisp of a woman who stares at him through the clearest blue eyes he's ever seen before. The taste of her lips sends his world teetering on devastation. She's his prisoner, so why shouldn't he claim her as his? Because she's his brothers bride. Because it wasn't complicated enough, right?One arrow will change the destiny of three lives forever.Will they be able to escape the blood oath, or will he lose her to a brother who doesn't even want her?New allies are being forged, new enemies emerge and no one is safe within the Realm of Faery anymore.

Erie isn't having a great week. Her time of freedom is up, and the Templar Knight who comes to claim her is an overgrown, broody, alpha a-hole who kisses like sin, and is determined to have her. What's a girl to do other than teach him that she cannot be owned by his kind? Callaghan will stop at nothing to save his race. Bound by the Templar Code, he has stood as protector of humanity; a witness to the countless wars that forged the world. Too much depends on his ability to catch one female, and create a life before time runs out. If the hour glass finishes before he succeeds, both races will fall to the curse placed on them by ancient witches have been awakened from the eternal slumber. With two races hanging in the balance, he's going to have to get creative to trap the little she-wolf who seems to be as elusive and untamed as her name claims her to be. This is the start of a series that was previously published as part of an anthology. The full novel will be released this summer 2019

Heroes in the hands of her enemies, and things are going from bad to worse. Those who she thought were allies have become enemies, and enemies have become allies. On top of that, Knox's history is unraveling, and it might just be Aria's undoing. Will they overcome what was done to the Nine Realms? Or will the truth destroy them both? Aria's plans are all coming apart and with everything on the line, how far will Aria go to protect those she loves from Knox's anger?

Breaking the Cowboy's Rules Ranch owner, Trevor Wild, loves nothing more than spending his day in the saddle riding in the Texas sun. He's passionate about being the latest generation of Wild man to breed quarter horses on Wildhorse Ranch. But in the aftermath of inheriting a bad business deal the Ranch is in serious financial trouble, and this serious cowboy needs to look outside the box to save his family's pride and joy. Glamping guru, Sabrina Heathstone is the best of the best at what she does, and she could very well be Trevor's saving grace. The blonde beauty arrives at Wildhorse Ranch ready to get the job done. She's all business when it comes to bringing a little luxury to the leather and dirt clad Ranch. But soon she'll realize that to renovate the Ranch for Glamping she may have to renovate its cowboy too. Sabrina is tempting on a whole lot of levels for Trevor—when he gives into both her touch, and the 1,000 thread count bed sheets, he finds that she soothes his soul. However, Sabrina's world is a difficult thing for the hardened cowboy to accept. Trevor will have to learn to accept Sabrina and her changes to his world, not only to save Wildhorse Ranch, but to save a love he never expected to find. Healing the Quarterback Charlie Wild knows how to score. On and off the field he's been a force to be reckoned with since his father taught him how to throw a spiral in the back pasture of Wildhorse Ranch. But a recent injury calls into question his ability to play football and points a finger at his wild child reputation. He's been given an ultimatum: overhaul his image by renovating his hometown hospital or get off the field. The last thing Dr. Dylan Rose needs is yet another man telling her what to do and certainly not what to do with her hospital. She'd left Houston and the sports stars she'd fixed there, tired of watching big bulky men beat each other up for fun. So when Charlie Wild limps into her hospital she wants nothing more than to fix his hot body up and see that great ass walk out the door. Charlie is taken by the sexy doctor. Her sweet smile hides a sharp tongue that he enjoys bating just about as much as he loves kissing it. He's on board for following her prescriptions and more than willing to teach her new ways to score in the sheets. But when it comes to the final seconds of this play he's going to have to decide what is more important: The doctor he's learned to love, or the game he just can't quit... Stirring up the Sheriff Moving back to Lockhat Bend wasn't easy for Marianne Stanton. But the smart and sassy firecracker has come with a plan. She's going to turn her Aunt's old Honky Tonk into a sleek and successful brewery in the heart of Lockhart Bend. Proving that while her life didn't go as planned, she could still take the town that judged her harshly as a child by storm. She's set out to win the upcoming Battle of the Brews at the county festival. The plan is to do it solo...no matter what the annoyingly hot town sheriff has to say. Sheriff Trent Wild has a dream—a dream that his favorite honky tonk will never change. For years he can kick back with a cold one and listen to country crooning on the jukebox as couples two-stepped their way around the floor. It's a dream that's in peril since master brewer Marianne came back to town, all grown up—and looking damn good—to burst his bubble. Now Trent needs to persuade Marianne that the Honky Tonk is perfect as it is...and that he could be perfect for her, too. What starts off as a welcome back to town quickly becomes a battle of wits. Marianne and Trent will find themselves fighting for their separate dreams until a cherry chapstick flavored kiss proves juicier than expected. Now they'll have to decide if living the dream is worth missing out on the love of a lifetime.

Before. Everything was so much better Before. I wasn't haunted by nightmares, my place at school was secure and my face was flawless. Now, I'm a freak and everything has changed. The worst part is that I can't remember the night I was sentenced to the shadows. The memory has been stolen from me and I just can't shake the feeling that someone, something is out there watching. Just when I think I have my life handled, Sam, with his intimidating golden stare and shiver inducing voice, makes me realize that I don't know anything. He makes me see that my scars don't matter. That they never mattered. I can't help but fall for him, completely unknowing that he knows exactly how I got this way. Not knowing he was involved. *** Heven has no idea how closely death stalks her. She has no idea what I have done to keep her alive. I fear the day she learns my secrets, finds out what I really am. But even then I cannot stop. I vow to make things right. Finally her hunter will be hunted, Heaven and Hell, faith and sin will battle, and we will be victorious. But first, Heven must learn to be what she never imagined. I know her strength is there - I feel it. If we are to overcome all odds, she must push past her flaws - her frailties - to become much more.

A fast-paced contemporary romance that sizzles from the New York Times bestselling author of *Order of Protection* where passion for the law isn't the only thing heating up the courtroom. Isla Shayne knows she's in over her head. As former all-star linebacker Trey Adams's personal lawyer, she's used to handling his business dealings and private financial matters, not murder charges. She needs to find an experienced criminal attorney who speaks her client's language. David Cormack of Garrison, Cormack and Lawless is exactly what she needs in the courtroom—and the only man she wants in the bedroom. For David, taking on the Adams case means diving back into a world he thought he'd left behind and colliding head on with tragic possibilities he's in no mood to face. There's a reason professional football is in his past and no matter how close Isla gets to the truth he intends to leave it there. But long days working on the case together lead to hot nights in each other's arms. As their feelings grow, the case takes a deadly twist that could change the game between the two lovers forever.

""The Dark Prince is the sequel to Dark Light of the Dark Light Series"" " BIG BEAUTIFUL BRIGHT SHINING "LIGHT" STARS for this awesome sequel. I was worried because a lot of times they just don't live up to their hype but this one far exceeded my expectations and I think that you will all love it as much as I did!" - Wolfe's World of Books "I love when a second book tops the first and this is exactly what this book did for me. It just keeps getting better and better and by the time I was done I was silently cursing the heavens that I will have to wait to keep going with Dorian and Gabs... Up All Night Book Blog "The Dark Prince is not your average PR. I loved the fact that S.L. didn't go down the usual vampire/werewolf path but gave us PMR lovers something so totally different and out of the box. Absolutely AMAZING!!!! - First Class Books "The Dark Prince had it all: love, betrayal, heartache, suspense, murder, dark, light, raw, emotional, intense, sexy, steamy and HOLY HELL, the hot men!!! I loved, loved, loved this book... - Sworn Worthy Books """"Book 2 of the Dark Light Series"""" Dorian Skotos is Dark. And although that brand of sheer, unrelenting evil is a direct threat to her life, Gabriella is tragically in love with him. Gabriella knew it was all too good to be true. The way his ice blue eyes somehow made panties drop involuntarily, how his sexy half-smile crumbled the barriers around her heart...Dorian was extraordinary in every way. She ignored the alarm bells for the sake of pleasure and a little slice of peace from her mixed-up life. She thought that whatever he was, she could help him. Maybe even change him. But now that the proof of Dorian's true identity and what was sent for is staring her in the face, Gabriella can't deny the inevitable. And confronting that truth could very well slaughter more than just her fragile heart. ""Intended for readers 17+ for sizzling hot sex, violence & language.""

Cherry Memories alone can ruin you. Fear has a paralyzing effect, and love isn't always enough to keep you safe. Ace was the gateway to a freedom I hadn't known since I was fifteen. He offered his protection from the demons that haunted me, both living and dead. Although I knew I wasn't enough to keep him, this didn't deter my hope that one day he'd love me for who I was, not the broken girl he tried so desperately to save. In the end, the ghosts of my past found me. Their malevolence knew no bounds, and I was forced to succumb to their will of darkness. Each threat named against those I loved made any escape impossible; choosing my life for theirs became my desolate abolition. Inevitably, my own weakness and self-doubt became my undoing. Ace Emotional ties are sometimes severed. Friendships don't always endure their hardships, and love offered isn't always returned. I was in love once. For me, leaving her back in Ohio was the hardest thing I've ever had to do. For her, moving on with her life that included her son and the man she loved was no less than she deserved - unconditional happiness. My reasons to bring Cherry home to California were obvious. I needed help with my family, and she needed help staying clean and convincing her parents she was ready to give her son the life he deserved. It was a perfect plan. However, the best-laid plans often get lost amidst her best intentions. Cherry fell in love with me, and in return, my love for her acted as the catalyst to her destruction. Authors Note: This novel contains material that is not suitable for individuals under the age of 18. Content includes: drug use, explicit language, violence, rape, and other scenarios with content that readers may find disturbing. Please use caution when deciding on this book, as every reader has the right to understand the product before purchase. Ace's Redemption is the first standalone novel in the Devil's Despair series. Although the main character of Ace was introduced during the Lights of Peril trilogy, you do not need to read that series in order to follow this one.

Veilance is mine. Yesterday, I had the audacity to imagine a future. One that didn't include hunting demons hellbent on destroying humanity or being used as a pawn for my father's revenge. One comprised of a home and a family and all the things I'd longed for as a broken child. Then in the blink of a silver speckled eye, my foolish hope was extinguished, and my world came crumbling down. We stood strong. We fought. We lost. We lost. Legion, the demon I dared to love, was gone. Now I'm going to tear myself in two and do the unthinkable to find him. I'm going to put my trust in his brother-his enemy-and make a deal with the Devil. And while his darkness and depravity echo mine, I know this won't end well for either of us. My body may survive, maybe even my soul. I can't promise the same for my heart. This time, I will not fall. I will not hesitate. And if it comes down to it, I'll be the weapon I was created to be. I will follow the code of the Se7en and do what I should have done when we had the chance. Kill one to save a million. Kill them to save the world.

A CHOICE Outstanding Academic Title for 2012! Contemporary Hollywood Masculinities traces changing concepts of masculinity in popular Hollywood blockbusters from 1992 to 2008 - the Clinton and Bush eras - against a backdrop of contemporary political events, social developments, and popular American myths. Kord and Krimmer investigate the most common male types - cops, killers, fathers, cowboys, superheroes, spies, soldiers, rogues, lovers, and losers. Their in-depth analyses of over sixty films, from The Matrix and Iron Man to Pirates of the Caribbean and The Lord of the Rings, from Wedding Crashers and Mr. & Ms. Smith to War of the Worlds and The 40-Year Old Virgin, show that movies, far from being mere entertainment, respond directly to today's social and political realities, from consumerism to "family values" to the War on Terror.

Mine (a Dark Erotic Romance Novel)

Wildhorse Ranch Brothers

An Overview and Handbook

Fallen Reign

A Novel

Psychology student Camila Duarte is finally on her own, living in NYC and away from her overprotective brothers. Her serenity quakes when she receives terrorizing letters. When the threats ramp up, she hires the best problem solver in the business to protect her and look for the criminal. After losing his wife and kid, Jaeger Bauer left the NYPD and has one simple rule: don't get attached. A job is just a job. Working close to Camila, however, puts his remarkable self-control to the test. He wants to pursue her, even though they are complete opposites and want different things. As the stakes get higher, Jaeger needs to choose between protecting his client...or surrendering to desire and jeopardizing the entire mission. Each book in the Brazilians series is STANDALONE. * Brazilian Revenge * Brazilian Capture * Brazilian Surrender

Dominic Trevino had been called a lot of things. Manwhore. Womanizer. Slut. But he was most notoriously known as Dirty Dom. Because that was who he was...for the most part. It was just wasn't all he was. His tortured past was as stained as his licentious reputation, and that was exactly how he'd designed it. It was the only way he knew how to cope with the ghosts that still kept him caged in horror and self-loathing. But the day Raven came tearing into his life-her temper as hot as her teeny tiny shorts-he knew he could never be placated with faceless hook-ups again. Still, he couldn't let her see who-and what-he really was inside. Raven freed him from his past...freed him from his pain. She saved him. Even though she didn't believe he was even worth saving. From the author of New York Times bestseller, Fear of Falling, comes a full-length, spin-off standalone about unbreakable friendships, the power of healing, and learning to love through forgiveness.

When Ellis Earnshaw and Heathan James met as children, they couldn't have been more different. Ellis was loud and beautiful - all blond hair, bright laughs and smiles. Heathan was dark and brooding, and obsessed with watching things die.The pair forged an unlikely friendship, unique and strange. Until they were ripped apart by the sick cruelty of others, separated for years, both locked in a perpetual hell.Eleven years later, Heathan is back for his girl. Back from a place from which he thought there was no return. Back to seek revenge on those who wronged them.Time has made Heathan's soul darker, polluted with hatred and the thirst for blood.Time has made Ellis a shell of her former self, a little girl lost in the vastness of her pain.As Heathan pulls Ellis out of her mental prison, unraveling the essence of who she once was, down the rabbit hole they will go.With malice in their hearts and vengeance in their veins, they will seek out the ones who hurt and destroyed them.One at a time.Each one more deadly than the last.Tick Tock.Dark Contemporary Romance. Contains explicit sexual situations, violence, disturbingly sensitive and taboo subjects, offensive language and very mature topics. Recommended for ages 18 and over.

Are you a witless cretin with no reason to live 'Would you like to know more about every piece of knowledge ever? Do you have cash' Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: The Onion's compendium of all things known. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edity even the most simple-minded book-buyer, THE ONION BOOK OF KNOWN KNOWLEDGE is packed with valuable information-such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet, THE ONION BOOK OF KNOWN KNOWLEDGE must be purchased immediately to avoid the sting of eternal ignorance.

The popular media of film and television surround us daily with images of evil - images that have often gone critically unexamined. In the belief that people in ever-increasing numbers are turning to the media for their understanding of evil, this lively and provocative collection of essays addresses the changing representation of evil in a broad spectrum of films and television programmes. Written in refreshingly accessible and de-jargonised prose, the essays bring to bear a variety of philosophical and critical perspectives on works ranging from the cinema of famed director Alfred Hitchcock and the preternatural horror films Halloween and Friday the 13th to the understated documentary Human Remains and the television coverage of the immediate post-9/11 period. The Changing Face of Evil in Film and Television is for anyone interested in the moving-image representation of that pervasive yet highly misunderstood thing we call evil.

When everything is on the line, how far will you go to protect those you love? What if the cost of saving them is your soul? Would you pay it? I thought I was prepared for what was coming; that if I made sacrifices, I could win this game. I'm no longer afraid of the darkness or the monsters that hide in the shadows. I've become what I feared most, allowing it in to protect those I loved. Sometimes it takes a monster to win. Sometimes to fight monsters, you have to become one. My only fear is,can I come back from it? I can't remember the last time I felt completely safe. Security seemed more like a luxury to me, reserved for those who were fortunate enough to have picture perfect childhoods. For those who didn't bear the ugly scars that keep me bound in constant, debilitating fear, I've run from that fear my entire life. But when I met him, for once, I couldn't run anymore.He scared the hell out of me in a way that excited every fiber of my being. It wasn't the tattoos or the piercings. It wasn't the warmth that seemed to radiate from his frame and blanket me whenever he was near. It was just...him. The scary beautiful man that threatened to alter 23 years of routine and rituals, and make me face my crippling fear.My name is Kami and I am constantly afraid. And the thing that scares me the most is the very thing I want. "Don't worry," he smiled, pulling me into the hard warmth of his chest. "I've got you. I'll always catch you when you fall."And just like that, Blaine had staked his claim on the untouched part of me that no living soul had ever moved. He had captured every fear, every reservation, and crushed them in the palm of his inked hand."" This book deals with sensitive subjects such as domestic violence and sexual abuse. Not intended for readers under 17 years of age.

"People wear masks. I cut them off.She doesn't know it, but she's already mine.They all are. They cry. They scream. They beg for their lives.Truth of it is, they're all wearing masks. Even me. I'm just the only one who's not afraid to look at what lies underneath.""My hands are tied behind my back. Even if I could get loose, I'm locked inside the plastic surgeon's library.He's in the next room.Killing someone.And if I said I wanted him to let me go, I'd be lying.Author's Note: This is a dark romance novel with mature themes that might make some readers uncomfortable. "

Brazilian Surrender

"Right now, you're probably asking yourself two things: Who am I? and What the hell are you doing here? Let's start with the most obvious question, shall we? You're here, ladies, because you can't f*ck." Oh, stop it. Don't cringe. No one under the age of eighty clutches her pearls. You might as well get used to it, because for the next six weeks, you're going to hear that word a lot. And you're going to say it a lot. Go ahead, try it out on your tongue. F*ck. F**ck. Okay, good. Now, where were we? If you enrolled yourself in this program, then you are wholly aware that you're a lousy lay. Good for you. Admitting it is half the battle. For those of you who have been sent here by your husband or significant other, dry your tears and get over it. You've been given a gift, ladies. The gift of mind-blowing, wall-climbing, multiple-orgasm-inducing sex. And you have the opportunity to f*ck like a porn star. And I guarantee that you will when I'm done with you. And who am I? Well, for the next six weeks, I will be your lover, your teacher, your best friend, and your worst enemy. You're every-f*cking-thing. I'm the one who is going to save your relationship and your sex life. I am Justice Drake. And I turn households into whores. Now ... who's first?

André Bazin (1918–81) is credited with almost single-handedly establishing the study of film as an accepted intellectual pursuit, as well as with being the spiritual father of the French New Wave. Among those who came under his tutelage were four who would go on to become the most renowned directors of the postwar French cinema: François Truffaut, Jean-Luc Godard, Jacques Rivette, and Claude Chabrol. Bazin can also be considered the principal instigator of the equally influential auteur theory: the idea that, since film is an art form, the director of a movie must be perceived as the chief creator of its unique cinematic style.André Bazin, the Critic as Thinker: American Cinema from Early Chaplin to the Late 1950s also features a sizeable scholarly apparatus, including a contextual introduction to Bazin's life and work, a complete bibliography of Bazin's writings on American cinema, and credits of the films discussed. This volume thus represents a major contribution to the still growing academic discipline of cinema studies, as well as a testament to the continuing influence of one of the world's pre-eminent critical thinkers."

I thought I knew what Hell was like. I thought I had been living it all these years on Earth-abandoned, forgotten, and left with a dangerous secret that not only made me the Se7en's #1 target but also turned me into a deadly weapon, a threat to every human in my path. I was wrong. In order to survive Lucifer's plans for me, and his unquenchable thirst for more power, I have to lose a part of myself in order to find my way back to him. Back to the demon who saved me, only to break me. Back to Legion. But even supreme evil has its limits, and the real foes never show their devastatingly beautiful faces. Forget fire and brimstone. They aren't shit compared to what's coming. Centuries-old bonds will be broken. Unlikely alliances will be forged. And innocent blood will be spilled. Blood that will stain my hands for the rest of my mortal days. I thought I knew what Hell was like. I was wrong. Hell is coming. Hell is just the beginning.

From International Best Selling Romance Novelist, Hope Hughes, comes a gripping, heartfelt tale of two lovers, fighting for the freedom to... No. Scratch that. Too cheesy. ...two people, torn apart by the tumultuous tides of life, only to discover refuge in... WTF? What does that even mean? DELETE. ...two people, confused as shit as to where they should be and who they should love and none of this means a damn thing because it's all lies! Lies. I'm not Hope Hughes. I'm not some fierce woman romance machine. Hell, I'm not even a woman. I'm a liar. And while I refuse to believe my own BS, deceit masked in heartfelt phrases of love and devotion, I want to make her believe them. Because maybe-just maybe-if she can find the soul within my words, she'll also be able to find the truth scribbled on my heart. You see, I once lived for the perfect plot twist. I just never expected to actually live it. This is my story. Well, maybe her story. I just wish I could make it our story. The one I'm still writing.

Playing with Monsters...coming very soon!!!My coven has remained hidden in the shadows for centuries.We've avoided the real world? altogether; hiding from monstersond other creatures we share this planet with.We found protection in the Colville National Forest, nestled in a town protectedy magical barriers.Our powers are locked by an ancient curse, one meant to protect us from being found.Until now.The past has a way of repeating itself. A new game is beginning. No one is safe.His coming for me.Me.His hunting.The monster we've run from for centuries has found us.How far will this deadly game go?How far will I be able to take it, or will he destroy me and everything I care about?Will the one thing I can't live without, be the key to destroying and undoing the past?Or will the past destroy me before I can save the people I love from it.

The Fun Novel that Inspired 10 Film Adaptations When the young Montgomery Brewster inherits one million dollars from his grandfather, his luck is only about to get better. His rich and eccentric uncle dies just a short time later and Brewster finds some very interesting conditions in his uncle's will. He stands to inherit seven million dollars as long as he spends every dime of his grandfather's money in the course of a year. Originally written in 1902, Brewster's Millions is a charming story of wealth and responsibility. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

"Darkness isn't one shade, sweetheart." Three centuries ago, Molly Darling's ancestors signed a contract in blood-daemon blood-to protect themselves from harm. On the eve she turns nineteen, Molly leaves for her birthday party against her parent's wishes, sick of their warnings about her "betrothal to a demon." Except that she's very much betrothed, and he's the very much a demon-one who's only agreed to use Molly's ancient daemon powers. Brash, arrogant, and built like a Greek god, Tensley King keeps showing up to save Molly from otherworldly attacks, only to insult her a moment later. As Molly learns more about the demon world, she realizes two things: that her family's safety depends on a successful marriage, while any chance of freedom she'll ever have calls for Tensley's demise. Yet sometimes Molly spots a tortured soul beyond those liquid grey eyes, and there's no denying the way her skin tingles when Tensley touches it. In Vein of Love, safety requires sacrifice, foe becomes lover, and one must decide whether to kiss...or to kill.

In its role as handbook, Hispanics and United States Film provides the best single source of information on Hispanic personalities in American film and on American films with a Hispanic focus produced from 1896 to the present time. Hundreds of films, actors, and other figures of the film industry are referenced. This informational component of the book, which provides titles, dates, and other filmographic information, is supplemented by a bibliography on the subject.

A freshly funny and heartfelt novel about one woman's secret life, the stories she tells, and the thrill and notoriety of being noticed. On the same day Bells Walker learns that her IUD has failed, her husband, Harry, is denied tenure at his Manhattan university. So Bells, Harry, their two adolescent children, and her baby bump move to New York's Hudson Valley, where Harry has landed a job at Dutchess College in the town of Pigkill. When the farm-to-table utopia Bells envisioned is anything but, she turns to the blogosphere. Under the pen name the County Dutchess, she anonymously dishes about life in Pigkill, detailing the activities of hypercompetitive parents and kombucha-drinking hipsters. Suddenly, Bells has a place to say all the things she's been secretly thinking about being a wife and mother. As Bells turns the focus of the blog on her new neighbors, her readership continues to grow, but her scandalous posts hit closer to home: she puts Harry's new job in jeopardy, derails her children's lives, and risks the one real friendship she's built. When Bells uncovers scandals right against her nose, the Dutchess goes viral, and soon everyone is asking, Who is the County Dutchess? Now Bells has to ask herself if it's worth losing the people closest to her to finally feel noticed by everyone else.

Do-Over, #3

The Changing Face of Evil in Film and Television

André Bazin, the Critic as Thinker

Sleeping with Monsters

American Cinema from Early Chaplin to the Late 1950s

Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace tried to save me. But first... they tried to kill me. They call themselves the Se7en. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

At the top of her new neighbors, her readership continues to grow, but her scandalous posts hit closer to home: she puts Harry's new job in jeopardy, derails her children's lives, and risks the one real friendship she's built. When Bells uncovers scandals right against her nose, the Dutchess goes viral, and soon everyone is asking, Who is the County Dutchess? Now Bells has to ask herself if it's worth losing the people closest to her to finally feel noticed by everyone else.

I had a decision to make, that would change everything.Could I say 'I do for business?I had one rule in life, don't fall in love. Now I have fallen for my wife. I had everything that a man could want.My bank account was stuffed, I had a new woman every night of the week and every guy wanted to be me.Life was perfect.I thought I had everything that I wanted.Then something was offered that I hadn't been able to secure myself.I wanted to win the favor of the best investor in the country and learn his ways. Ronald Gary was a hard man to get a hold of.When I did, he had a proposal that I couldn't refuse.I was to marry his daughter.A woman I had never met. I met her on our wedding day and she was beautiful.Long legs and a curved body called to me from underneath the veil. I fell for her charm and wit, but I wanted more.I wanted the real marriage, the real wife.I wanted my hands on her. Once I knew that she was to be mine in all ways,I had to figure out a way to convince her.All I had to do was get my hands on her and I would show her what I could do.Her innocence was intoxicating and I was drunk from my own need. I was going to be her first.Her only. I was going to be the man to make her protect her.

Twenty-one years ago, Gabriella's life was stolen from her before it even began. Orphaned at birth and encompassed in a fortress of lies to protect her identity, she never truly understood her purpose on this earth. But now that she has ascended, embracing her destiny, the ghosts of her past have come back to haunt her. Even with insurmountable power running through her veins, part of Gabriella is irreparably broken. And with old enemies working to destroy the tiny shred of normalcy she has left, she'll be forced to face the ugly truth about Dorian, the man she chose to love despite his darkness. Everything she loved is a lie, and everyone she thought she knew is a stranger. And now that Gabriella is about to be thrust into the battle of her life, she discovers that she may be fighting for the wrong side. *This is book 3 of The Dark Light Series, the highly anticipated conclusion to Gabriella and Dorian's beautifully tragic love story.

A Billionaire and Virgin Romance

Ruins of Chaos

Fear of Falling

Feisty

A new steamy, lighthearted contemporary romance from New York Times, USA Today, and Wall Street Journal bestselling author Georgia Cates.He's going to tutor her in more ways than one. Bram--My best friend's little sister--that's all Claudia Bliss is to me.My head keeps trying to convince my heart, but both know it's a damn lie.It's her face I see every time I close my eyes.It's her lips I long to kiss.It's her touch I crave in the dark.She's the one I love... but wanting Claudia is wrong.She's been like a little sister to me since the day she was born. Now, everything between us is changing--including the special bond we've always shared. It's stronger than ever... and becoming something so different. Something so hot. Something so forbidden.My little dove is growing up.Doesn't matter how wrong it is, I can't stop wanting her. I will have her.Claudia--Bram Windsor. I have loved him my entire life.For years, I was nothing more than one of the boys to him, Owen's little sister. The pest who tagged along everywhere the boys went. But now, everything has changed.I've grown up and it's time Bram sees me for what I am. A woman. A sexual being who wants him. A virgin more than ready to give herself to him.I don't care what our friends or family say. I love him and everything about being together feels right. I will have him.**Note from Georgia--Sweet Torment is a 33k+ word standalone novella. It is a rewrite of a 12k word short story previously published as Cherry Popper under the pen name Jade Sinner and is no longer available for purchase. HEA. No cheating. No cliffhanger.

My name is Heidi DuCane. I might seem like your average happily married woman with average desires. But don't let looks fool you. I have needs that are begging to be satisfied. So what do I want more than anything else? I want my most secret fantasy fulfilled. Have I got your interest now? Are you wondering what my most illicit, dark fantasy involves? I want my husband, Tucker, to watch while another man brings me to pleasure. While I do love Tucker, I've always suspected there's much more out there waiting for me to explore. And my hunch was proven when I met rock superstar Ransom Reed--every woman's wet dream. I would've been insane not to take him up on his offer to share one wild night with him...and Tucker. The sex was mind-blowing! And Tucker enjoyed himself as much as I did. But here's the catch. The sex was so good that one night wasn't enough. Neither Tucker nor I can stop thinking about that scorching hot night. My husband loves me so much that he'll do anything to please me--including helping me reach staggering heights of ecstasy with another man. But it wasn't just the sex that was enticing. I felt something come alive in me, and I felt so deliciously satisfied and loved by both men. Now that Tucker and Ransom have made my most forbidden fantasies come true, I've learned an important lesson. I can never go back to the way things were before....
