Edition
Financial
Management
Khan And
Jain 6th
Edition

This new edition of
Financial
Management
continues to
emphasise on the

Online Library Financial Management Khan And Jain 6th Edition

theories, concepts,
and techniques that
aid in corporate
decision making,
Apart from updating
the chapters with
recent
developments in the
subject, it presents
to the readers
several new cases
and examples, along
with new-age tools
like 'excel' for

Online Library
Financial
Management Khan
And Jain 6th
Edition

problem solving.
This thoroughly
revised edition
continues to focus
on equipping the
readers with the
theories, concepts
and techniques that
can be applied to
corporate decision-
making in the field
of financial
management. It
incorporates up-

And Jain 6th
Edition

Financial
Management:
Theory and
Practice celebrates
the 23rd
Anniversary of its
publication. Over
these two decades,
Indian business and
finance have
considerably
changed owing to
deregulation,
liberalisation,

Online Library
Financial
Management Khan
And Jain 6th
Edition

privatisation,
globalisation, and
the ascendance of
the services sector.

The book has kept
pace with these
changes and
captures the central
themes and
concerns of
corporate financial
management-
making it both
contemporary and

Online Library

Financial

Management Khan

And Jain 6th

Edition

comprehensive. The book seeks

to: *Build

understanding of the central ideas and theories of modern

finance *Develop

familiarity with the analytical

techniques helpful

in financial decision

making *Furnish

institutional

Financial
Management Khan
And Jain 6th
Edition

material relevant
for understanding
the environment in
which financial
decisions are taken

*Discuss the
practice of financial
management.

The study of
working capital is of
major importance to
internal and
external analysis
because of its close

Online Library
Financial
Management Khan
And Jain 6th
Edition

relationship to current day-to-day business. In fact, the study of working capital management needs special attention for the efficient working and survival of a business. It has been often observed that the shortage of working

Online Library
Financial
Management Khan
And Jain 6th
Edition

capital leads to the failure of a business. The proper management of working capital may bring about the success of a business firm. To run the business smoothly and to meet the day-to-day operational requirements, working capital

Online Library
Financial
Management Khan
And Jain 6th
Edition

funds are very essential. With this background in view, the present study was undertaken for a proper insight into the Management of working capital in the sugar industry. The book provides multidirectional and multidimensional investigation of various aspects of

Online Library

Financial

Management Khan

And Jain 6th
Edition

working capital management. The book discusses all the important aspects in a systematic manner. Apart from its extensive coverage and lucid presentation, the strength of the book lies in its Indian background. This book will be of

Online Library Financial Management Khan

immense use
particularly to
University and
College teachers,
Chartered
Accountants,
Company
Secretaries, M.Com.
B.Com., and MBA
students and other
professional
courses. In addition,
it would be a useful
reference book for
