Audio for listening lessons available on the Student's App
This is an update of OECD 2006 "Understanding National Accounts". It contains new data, new chapters and is adapted to the new systems of national accounts, SNA 2008 and ESA 2010.

Buck, a sturdy crossbreed canine, is seized from his pampered family surroundings and shipped to the forbidding landscape of the Alaskan frontier to be a sled dog. As gripping today as it was when first published over a century ago, this classic tale of survival remains one of London's most popular adventures.

Gold Experience A2 Teacher's Book

Modern Slavery, Ecocide, and the Secret to Saving the World

**This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopiable worksheets.**

**Experience The Fun In Learning English Gold Experience is a fast-paced course that engages and motivates teenagers with its wide variety of contemporary topics. Contexts such as the internet, social media and television are relevant to students' lives and content-rich CLIL subjects help students learn about the world.**

**For readers of such crusading works of nonfiction as Katherine Boo’s Beyond the Beautiful Forever**s and Tracy Kidder’s **Mountains Beyond Mountains** comes a powerful and captivating examination of two entwined global crises: environmental destruction and human trafficking—and an inspiring, bold plan for how we can solve them. **A leading expert on modern-day slavery, Kevin Bales has traveled to some of the world’s most dangerous places documenting and battling human trafficking. In the course of his reporting, Bales began to notice a pattern emerging: Where slavery existed, so did massive, unchecked environmental destruction. But why? Bales set off to find the answer in a fascinating and moving journey that took him into the lives of modern-day slaves and along a supply chain that leads directly to the cellphones in our pockets. What he discovered is that even as it destroys individuals, families, and communities, new forms of slavery that proliferate in the world’s lawless zones also pose a grave threat to the environment. Simply put, modern-day slavery is destroying the planet. The product of seven years of travel and research, Blood and Earth brings us dramatic stories from the world’s most beautiful and tragic places, the environmental and human-rights hotspots where this crisis is concentrated. But it also tells the stories of some of the most common products we all consume—from computers to shrimp to jewelry—whose origins are found in these same places. Blood and Earth calls on us to recognize the grievous harm we have done to one another, put an end to it, and recommit to repairing the world. This is a clear-eyed and inspiring book that suggests how we can begin the work of healing humanity and the planet we share. Praise for Blood and Earth**
**“A heart-wrenching narrative . . . Weaving together interviews, history, and statistics, the author shines a light on how the poverty, chaos, wars, and government corruption create the perfect storm where slavery flourishes and environmental destruction follows. . . . A clear-eyed account of man’s inhumanity to man and Earth. Read it to get informed, and then take action.”—Kirkus Reviews (starred review)**
**“[An] exposé of the global economy’s ‘deadly dance’ between slavery and environmental disaster . . . Based on extensive travels through eastern Congo’s mineral mines, Bangladeshi fisheries, Ghanaian gold mines, and Brazilian forests, Bales reveals the appalling truth in graphic detail. . . . Readers will be deeply disturbed to learn how the links connecting slavery, environmental issues, and modern convenience are forged.”—Publishers Weekly**
**“This well-researched and vivid book studies the connection between slavery and environmental destruction, and what it will take to end both.”—Shelf Awareness (starred review)**
**“This is a remarkable book, demonstrating once more the deep links between the ongoing degradation of the planet and the ongoing degradation of its most vulnerable people. It’s a bracing reminder that a mentality that allows throwaway people also allows a throwaway earth.”—Bill McKibben, author of Eearth: Making a Life on a Tough New Planet**

Oxford Practice Grammar Intermediate

Environmental Impact Statement

Gold Experience

A Revised Framework

Statewide Wilderness Report B1(7v), Appendix B2, Record of Decision (ROD)

Top Grammar is a reference book for learners of English at all levels, from basic to upper intermediate (A2 to B2). Top Grammar covers all the main grammatical areas of the language. Top Grammar has a special lexical focus for each of its sections. Top Grammar is made up of a Student's Book and CD-ROM, and has a Teacher's Guide including tests. Top Grammar can be used: for individual study, for exam preparation, or whenever the teacher thinks the class needs specific training on grammar included in the syllabus. By learners in a flexible way, to reinforce specific grammar points. Autonomously like other reference materials - dictionaries or the Internet. 'Go and check in your grammar book' should be a constant reminder of the teacher to the students. The Teacher's Guide contains: tips about how Top Grammar could be used in the classroom or for individual study; a set of 25 tests, one for each of the chapters; keys to all the exercises and tests.

Additional intensive practice for the exams
Two complete practice tests, one with tips and guidance for every task
Extensive support for productive tasks
Online answer keys, audio and speaking test videos with teacher’s resources

I became what I am today at the age of twelve. I remember the precise moment, crouching behind a mud wall on a frigid winter day in 1975 . . . looking into a deserted alley. It’s wrong what they say about the past, about how you can bury it, because the past claws its way out. I realize I've been looking into that alley for the last 26 years. Afghanistan is a divided country on the verge of war and two childhood friends are about to be torn apart. It’s a beautiful afternoon in Kabul and the skies are full of the excitement and joy of a kite flying tournament. But neither Hassan or Amir can foresee the terrible incident which will shatter their lives forever. Khaled Hosseini’s first and international best-selling novel has now been adapted into a stunning stage adaptation by Matthew Spangler. This edition was published for the production at Wyndham’s Theatre, London, from 21 December 2016.

Gold Pre-First Teacher's Book

Kidnapped

Factfulness

Gold Experience 2nd Edition B1+ Students' Book

C1 Advanced

**INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates**
**“Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.”**

**—Melinda Gates**
**"Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama**
**Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. ---**
**“This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.**

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

The trusted Gold series builds students' confidence by combining carefully graded exam preparation for the Cambridge English exams with thorough language and skills development. Providing enjoyable, communicative classes with a strong emphasis on personalization, Gold is the popular choice for teachers around the world. Digital teacher resources are now available for Gold Pre-first, to accompany and supplement your teaching. Contact your local representative to request a copy. You can find your local office here. Please note, these are available in digital format only.

The Call of the Wild

A True Story of Crime, Scandal, and Trial by Combat in Medieval France

Blood and Earth

Shadow and Bone

**Presents a case of scandal, crime, and justice in medieval France, where a Norman knight returns from Scotland and finds his wife accusing an old friend and fellow courtier of raping her, leading to a battle to the death.**

**A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries**

**"There are two things that men should never weary of, goodness and humility; we get none too much of them in this rough world among cold, proud people. - Robert Louis Stevenson, Kidnapped**
**Kidnapped (1886) by Robert Louis Stevenson is a coming-of-age novel that recounts the adventures of a teenager named David Balfour during the Jacobite Rebellions in 18th century Scotland. Following his father's death, David reaches out to an uncle, who betrays his nephew and sells him to a slave-trader headed for America. David's rescue from the slave ship by a Jacobite refugee starts David on a series of adventures that ensure his passage into manhood.**

Second Edition

Gold Experience 2nd Edition B1+ Teacher's Resource Book

The Outsiders

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.
