Christmas Is Coming! An Advent Book

***In celebration of the 50th anniversary of Mars Attacks, this comprehensive book is the first-ever compilation of the infamous science-fiction trading card series produced by Topps in 1962. Edgy, subversive, and darkly comedic, this over-the-top series depicting a Martian invasion of Earth has a loyal following and continues to win new generations of fans. For the first time, this book brings together high-quality reproductions of the entire original series, as well as the hard-to-find sequel from 1994, rare and never-before-seen sketches, concept art, and test market materials. Also included are an introduction by series co-creator Len Brown and an afterword by Zina Saunders, daughter of the original artist, providing an insider’s behind-the-scenes view of the bizarre and compelling world of Mars Attacks. Includes four Mars Attacks trading cards. Includes preliminary sketches and artwork, including a facsimile of the original trading card mechanical on the inside back cover, with reproduction of the 1962 handwriting from the original Topps production department. Praise for Mars Attacks: “The best thing about this 50th-anniversary book is that it frees Mars Attacks from rose-tinted memory.” —NPR.org “The work produced by writer Len Brown and artist Norm Saunders, collected now in the anthology Mars Attacks: 50th Anniversary Collection . . . continues to pass muster as a lurid snapshot of sci-fi paranoia at its most pulp-fictiony.” —Wired.com “It’s like a mini-museum of alien grotesquerie between two solid covers, depicting all the iterations of the series, with further treatments by modern illustrators, and sketchbook reproductions, and names, dates, and times. Oh, and? And there are four bonus trading cards included with each copy of this graphic and texty artifact.” —AustinChronicle.com “It’s a true gem of American pop culture history that should be a centerpiece on any true geek’s coffee table.” —The Houston Press Art Attack blog***

She didn't reckon on finding another woman's earring in her bed however, and soon she finds herself single, homeless and in need of a new plan. Her best friend Carys gives her the perfect present - The Single Girl's Calendar - which has a different cure for heartbreak every day: Day 1: Look and feel fabulous with a new hair style. Day 2: Step out of your comfort zone and try something new. Day 3: Reconnect with friends and enjoy! INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents’ homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in American Like Me, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

*An unofficial guide with words of wisdom from 100 TED speakers*

Can a cat be an accessory to a prison break? (It can.) Would your precious pet turn violent? Yes--a couple in Seattle had to call the police to save them from their ferocious feline. From cat burglars to terrorizing tabbies, meet the funniest furry felons in the Purrllitzer Prize-winning Cats Gone Bad. Each spread features a photograph or photomontage of an erring kitty. The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald’s plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. Fantastic Beasts: The Crimes of Grindelwald is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Set in 1927, a few months after the events of Fantastic Beasts and Where To Find Them, and moving from New York to London, Paris and even back to Hogwarts, this story of mystery and magic reveals an extraordinary new chapter in the wizarding world. Illustrated with stunning line art from Minalima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, with additional dialogue by Jack Thorne, the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about the production. Includes background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.
