*'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.*

BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 8e, is designed to prepare students for success in today's digital workplace. The textbook presents the basics of communicating in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and presenting individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps students improve their English language skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Anyone who has ever stood on the shores of Monterey Bay, watching the rolling ocean waves and frolicking otters, knows it is a unique place. But even residents on this idyllic California coast may not realize its full history. Monterey began as a natural paradise, but became the poster child for industrial devastation in John Steinbeck’s Cannery Row,and is now one of the most celebrated shorelines in the world. It is a remarkable story of life, death, and revival—told here for the first time in all its stunning color and bleak grays. The Death and Life of Monterey Bay begins in the eighteenth century when Spanish and French explorers encountered a rocky shoreline brimming with life—raucous sea birds, abundant sea otters, barking sea lions, halibut the size of wagon wheels,waters thick with whales. A century and a half later, many of the sea creatures had disappeared, replaced by sardine canneries that sickened residents with their stench but kept the money flowing. When the fish ran out and the climate turned,the factories emptied and the community crumbled. But today,both Monterey’s economy and wildlife are resplendent. How did it happen? The answer is deceptively simple: through the extraordinary acts of ordinary people. The Death and Life of Monterey Bay is the biography of a place, but also of the residents who reclaimed it. Monterey is thriving because of an eccentric mayor who wasn’t afraid to use pistols, axes, or the force of law to protect her coasts. It is because of fishermen who love their livelihood, scientists who are fascinated by the sea’s mysteries, and philanthropists and community leaders willing to invest in a world-class aquarium. The shores of Monterey Bay revived because of human passion—passion that enlivens every page of this hopeful book.

How Can Deacons Mobilize Service in the Church? Deacons are essential to a church's health—yet confusion abounds regarding their biblical job description. What’s their God-given role in a local congregation and how do they relate to the church's overall mission? In this short book, Matt Smethurst makes the case that deacons are model servants called to meet tangible needs, organize and mobilize acts of service, preserve the unity of the flock, and support the ministry of the elders. Clearing away common misconceptions, Smethurst offers practical guidance for deploying deacons and helping churches to flourish.

Great companies dont just depend on strategiesthey depend on people. The more great people on your team, the more successful your organization will be. But thats easier said than done. Statistically, half of all employment decisions result in a mishire: The wrong person winds up in the wrong job. But companies that have followed Bradford Smart's advice in Topgrading have boosted their successful hiring rate to 90 percent or better, giving them an unbeatable competitive advantage. Now Smart has fully revised his 1999 management classic to reintroduce the topgrading concept, which works for companies large and small in any industry. The author spells out his practical approach to finding and managing A-level talents well as coaching B players to turn them into A players. He provides intriguing case studies drawn from more than four thousand in-depth interviews. As Smart writes in his introduction, All organizations, all businesses live or die mostly on their talent, and any manager who fails to topgrade is nuts, or a C player. . . . Those who, way deep down, would sooner see an organization die than nudge an incompetent person out of a job should not read this book... Topgrading is for A players and all those aspiring to be A players. On the web: http://www.topgrading.com/

Now in the 5th edition, Cracking the Coding Interview gives you the interview preparation you need to get the top software developer jobs. YouTube For Dummies takes the classic Dummies tact in helping tech novices get a handle on a popular technology that more tech-savvy audiences consider "simple." With so much content on YouTube getting media attention, more first-timers are jumping on the site and they need help. The book also helps the next step audience of users looking to add content to YouTube. Content includes: Watching the Tube - includes getting your PC ready for

YouTube viewing, finding video, signing up for an account, and creating favorites. Loading Video to YouTube—covers the nuts and bolts of shooting video, transferring it to a PC, editing it, and sending it up to YouTube.

Bringing Along YouTube—covers the various ways you can use YouTube video in places other than on the site. Includes mobile YouTube and adding videos to your MySpace page or another Web site. I Always Wanted To Direct—explores how to use YouTube's directors program to upload longer video, use the site for marketing, or launch your own videoblog.

It's December 1997, and a man-eating tiger is on the prowl outside a remote Russian village. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta. Injured, starving, and extremely

dangerous, the tiger must be found before it strikes again. As he re-creates these extraordinary events, John Vaillant gives us an unforgettable portrait of this spectacularly beautiful and mysterious region. We meet the native tribes who for centuries have worshipped and lived alongside tigers, even sharing their kills with them. We witness the arrival of Russian settlers in the nineteenth and early twentieth centuries, soldiers and hunters who greatly diminished the tiger populations. And we come to know their descendants, who, crushed by poverty, have turned to poaching and further upset the natural balance of the region. Beautifully written and deeply informative, *The Tiger* circles around three main characters: Vladimir Markov, a poacher killed by the tiger; Yuri Trush, the lead tracker; and the tiger himself. It is an absolutely gripping tale of man and nature that leads inexorably to a final showdown in a clearing deep in the taiga.

Get That Job

If you are interviewing with a company, you are likely qualified for the job. Through the mere action of conducting the interview, the employer essentially implies this. So why is it difficult to secure the job you love? Because there are three job—none of which are your qualifications— and, unfortunately, you can only control one of them. INTERVIEW INTERVENTION creates awareness of these undetected reasons that pose difficulty for the job-seeker and permeate to the interviewer's ability to secure the best talent. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure to extract the most relevant information to make sound hiring decisions. INTERVIEW INTERVENTION will become your indispensable guide to: ? Create self-awareness to ensure you understand the job you want before—not after—the fact. ? critical employer information. ? Share compelling stories that include the six key qualities that make them believable and memorable. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intel asking. ? Close the interview to ensure the interviewer wants to hire you.

13 lectures, Dornach and Basel, December 4-31, 1916 (CW 173) Although these lectures were given in 1916, they have much to teach us about today's political spin, media distortions, propaganda and downright lies--all delivered by the me calm, methodological approach penetrates the smokescreen of accusations and counterclaims, illusions and lies, surrounding World War I. From behind this fog and under the guise of outer events, the true spiritual struggle is revealed. Steiner's understanding of the politics and world conflicts that confront us today through the filter of popular media. Amid the turmoil of World War I, Steiner spoke out courageously against the hate, lies, and propaganda of the time. His detailed re human evolution allowed him to reveal the dominant role that secret brotherhoods played in events that culminated in that cataclysmic war. He warned that the retarding forces of nationalism must be overcome before Europe can find its urgent need for new social structures in order to avoid such future catastrophes. Political and social changes around the world are moving at a breathless pace, hurtling us all toward an uncertain future. These lectures illuminate much of the events and the scenes played out on the nightly news. This new edition, reproduced in a larger format, is put in a modern context and introduced by Terry Boardman. This volume is a translation from German of *Zeitgeschichtliche Betrachtungen*. Unwahrhaftigkeit - Erster Teil. Kosmische und Menschliche Geschichte Band IV (GA 173).

The present volume is a compilation of key documents on the history of Kosovo in the first half of the twentieth century. These texts, including numerous diplomatic despatches of the British Foreign Office, deal initially with the Albanian uprising against Ottoman rule in the spring of 1912 and, in particular, with the period of the Serbian invasion of Kosovo in late 1912 and the repercussions of the conquest for the native Albanian population. The documents from 1918 to the early 1920s focus mainly on endeavours by Albanian leaders, including those of the so-called Kosovo Committee in exile, to bring the plight of their people to the attention of the outside world, endeavours which largely failed. Further documents reflect the situation in Kosovo up to World War II. This collection does not claim to constitute a full documentary history of Kosovo in the period in question, but it does hope to provide the interested reader with much information, largely unavailable up to now, on many of the major and minor events that channelled and determined subsequent happenings, including the Kosovo War of 1998-9 and the declaration of independence in February 2008--Preface.

Offers a step-by-step approach to the basic techniques of interviewing and their various applications, to the interview as a management tool and as a research aid

"Compulsive reading—a wonderful account, both scholarly and gripping, of a horrifying episode in the history of the west." —Arthur M. Schlesinger Jr. The tragedy of the Donner party constitutes one of the most amazing stories of the American West.

In 1846 eighty-seven people—men, women, and children—set out for California, persuaded to attempt a new overland route. After struggling across the desert, losing many oxen, and nearly dying of thirst, they reached the very summit of the Sierras, only to be trapped by blinding snow and bitter storms. Many perished; some survived by resorting to cannibalism; all were subjected to unbearable suffering. Incorporating the diaries of the survivors and other contemporary documents, George Stewart wrote the definitive history of that ill-fated band of pioneers; an astonishing account of what human beings may endure and achieve in the final press of circumstance.

Land the job you want! The interview is one of the most crucial moments of the job search experience and your chance to show your potential employer that you have what it takes to succeed in the position. In order to do that in today's highly competitive job search environment, though, you'll have to find a way to stand out from the crowd. Using his twenty-five years of experience, New York Times bestselling author Martin Yate has established a set of rules for job interviews that is sure to get you noticed. Instead of memorizing canned answers, Yate provides you with an explanation of the thought behind more than 300 questions and answers, so that you'll always know what the interviewer is really asking and how you should respond. Packed with information on handling stress questions and weird interview venues, this book also teaches you how to keep your cool--and confidence--from the moment you step inside the building. With Knock 'em Dead Job Interview, you will finally be able to differentiate yourself from the competition and score the job!
