Sobre la autora: Janica escribe historias de amor picantes sobre hombres seductores y las atrevidas mujeres que se enamoran de ellos. Comenzó escribiendo historias con final feliz cuando era adolescente, pero recientemente ha empezado a incluir un toque picante en sus relatos y a publicarlos en Internet. Está casada con un hombre que afirma ser multimillonario por derecho propio, pero que se niega a contratar a alguien que le ayude en la cocina. *TO: Nina Baxter FROM: David Hanson SUBJECT: An Offer You Can't Refuse... Nina, I'm so sorry about the layoffs. Your dedication, not to mention your charm, has always made a good impression on me. So I'd love it if you considered working for me again, as my personal assistant. There's plenty of room for you and your adorable children in my apartment (and truthfully, their excitement would be a welcome distraction from my otherwise workaholic lifestyle!). I know you're worried about gossip—people might suggest this isn't strictly business—but we're more than capable of ignoring the sparks of attraction between us in favor of the bigger picture...aren't we?*

*It is time... An ancient book, a power untouched, and a heart unloved lead Keelin O'Brien from her graduate studies in Boston to a small village on the coast of Southern Ireland. Determined to unearth the secrets lying hidden in the enchanted waters of the cove, Keelin has little time for a surly Irishman who infuriates her during the day and haunts her fantasies at night. Inexplicably drawn to the woman who has stepped from his dreams and into his world, Flynn fights a stubborn battle against his increasing attraction for Keelin. Forces unknown have better plans for the two. Only the secrets of the cove can show Keelin who she really is, the beauty of her mysterious power, and a love that will break the bounds of what she knows. From New York Times Bestselling author, Tricia O'Malley, comes a new romance series set on the rocky shores of Ireland.*

*THE KING OF WALL STREET IS BROUGHT TO HIS KNEES BY AN AMBITIOUS BOMBSHELL. At work, I'm King of Wall Street. The heaviest hitters in Manhattan come to me to make money. They do whatever I say because I'm always right. I'm shrewd. Exacting. Some say ruthless. At home, I'm a single dad trying to keep his fourteen year old daughter a kid for as long as possible. If my daughter does what I say, somewhere there's a snowball surviving in hell. And nothing I say is ever right. When Harper Jayne starts as a junior researcher at my firm, the barriers between my worlds begin to dissolve. She's the most infuriating woman I've ever worked with. I don't like the way she bends over the photocopier—it makes my mouth water. I hate the way she's so eager to do a good job—it makes my dick twitch. And I can't stand the way she wears her hair up exposing her long neck. It makes me want to strip her naked, bend her over my desk and trail my tongue all over her body. If my two worlds are going to collide, Harper Jayne will have to learn that I don't just rule the boardroom. I'm in charge of the bedroom, too. The King of Wall Street is a sexy, stand alone, contemporary romance. Hazme Tuya

Érase una vez una noche oscura y fría, en la que un asesino ruso me raptó en un callejón. Yo soy peligrosa, pero él es letal. Ya me he escapado una vez. Él no dejará que vuelva a hacerlo. Suy a es la venganza. Mía es la traición. Pero más son también las mentiras que protegen a los que amo. Nos han cortado usando el mismo patrón retorcido. Ambos despiadados, ambos heridos. En sus brazos encuentro el cielo y el infierno: sus crueles y tiernas caricias me elevan tanto como me destrozan. Dicen que los gatos tienen siete vidas, pero un asesino solo tiene una. Y la mía le pertenece ahora a Yan Ivanov.

With the appearance of Grunch of Giants, R. Buckminster Fuller consummates his literary canon, his panoramic lifetime survey of all aspects of the responsibility of human beings for their own destiny. This book is a modern allegory - his long-gestated myth-of the villainy of capitalism and the fecklessness of classic economics. For Fuller, the academic discipline of economics is irrelevant since it derives from an invalid assumption of scarcity. In fact, he has long argued that future historians of our era may subsume our business practices as a branch of mythology; thus it is not surprising that the word economic appears nowhere in his text. Fuller's myth is no idle fairy tale, since he faces his question - the question of a technological imperative which only he could raise with the deadly seriousness of satire. That question is: Can our system of national political sovereignties and corporate profits survive the inevitable technology revolution require to obviate wars by effecting a worldwide rise in the standard of living. One of the functions of myth is to resolve contradictions in our culture. Grunch of Giants portrays the rising of multinational corporations in the paradoxical role of function both as the epitome of capitalistic selfishness and as the inadvertent vehicle for the dissolution of national political boundaries - the last deterrent to a one-world economy. The result is more subversive of the property and profit values of the capitalist system than anything dreamed of since Karl Marx. [EJ. Applewhite, collaborator with RBF on Synergetics and Synergetics 2, author of Cosmic Fishing: A Memoir of Working With R. Buckminster Fuller THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f\*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. Welcome to Darkblood-oops, I mean Darkhen Academy. There are three rules to survive the elite supernatural school: 1. Do not talk or even look at The Seven, the uber-powerful supes that rule the academy. 2. Never go into the Fae forest on a full moon... or else. 3. And most definitely do not fall for one of the extremely hot and unattainable instructors. Too bad I've never really been a rule follower... A year ago the supernaturals came out of the closet on primetime TV, and about a minute ago I, Luna Hallows, found out I was one of them--well, a half-blood anyway. So here I am at Darkhen Academy, the only human and no magical abilities to speak of. The only reason I'm here is because of my father--a man I didn't even know existed until now. He's crazy powerful, and they think I could be too. But what could I possibly contribute to an exclusive squad of dragon shifters, fae, witches, and vampires? I guess we're about to find out because the merging of the supernatural and human realms isn't going as smoothly as planned. If word gets out that humans are no longer safe from the supes, our worlds will once again be closed off. It's up to us to stop that from happening. \*\*\*This is an upper YA/NA crossover with schmexy supernatural guys and is best suited for age 16 and over. Be warned, the steaminess factor does increase through the course of the series! \*\*\*Darkblood Academy is set within the world of Hitched but it's not necessary to read that series first to enjoy this one.

My new boss likes rules, but there's one nobody dares to break... No touching his banana. Seriously. The guy is like a potassium addict. Of course, I touched it. If you want to get technical, I actually put it in my mouth. I chewed it up, too... I even swallowed. I know. Bad, bad, girl. Then I saw him, and believe it or not, choking on a guy's banana does not make the best first impression. I should backtrack a little here. Before I ever touched a billionaire

A Dark Romance

The Contract

*An older man, a younger woman, an irresistible attraction. My BFFs and I made a pact the last month of high school: No one was going to college a virgin. The only question was, who would we choose? I knew exactly who I wanted. My teacher, Mr. Parker. I might have just graduated, but I was still his student. But Mr. Parker isn't teaching me anything in that boring civics textbook any longer. He's bossy. He's demanding. He's so much older than I am. And he's opening my eyes, teaching me exactly how pleasurable surrender can be.*

*A billionaire who wants a perfect wife... At thirty-five, Marcus Carelli has it all: wealth, power, and the kind of looks that leave women breathless. A self-made billionaire, he heads one of the largest hedge funds on Wall Street and can take down major corporations with a single word. The only thing he's missing? A wife who'd be as big of an achievement as the billions in his bank account. A cat lady who needs a date... Twenty-six-year-old bookstore clerk Emma Walsh has it on good authority that she's a cat lady. She doesn't necessarily agree with that assessment, but it's hard to argue with the facts. Raggedy clothes covered with cat hair? Check. Last professional haircut? Over a year ago. Oh, and three cats in a tiny Brooklyn studio? Yep, she's got those. And yes, fine, she hasn't had a date since... well, she can't recall. But that part is fixable. Isn't that what the dating sites are for? A case of mistaken identity... One high-end matchmaker, one dating app, one mix-up that changes everything... Opposites may attract, but can this last?*

*The first book in #1 New York Times Bestselling Author Jodi Ellen Malpas' Smoke & Mirrors Duology following the scandal of a rebellious British princess who falls in love with a Hollywood actor.*

*Marrying a stranger tops the list of things you should never do in Las Vegas, but I did it anyway. The entire night was my idea. I was the one who suggested a wake-up-with-a-tiger kind of night. Instead, I woke up with a ring on my finger and Vince Rossi in my bed. Vince, who was nothing like I thought he was and everything I never knew I needed. Suddenly I was falling head-over-heels in love with my accidental husband and the idea of ending this union was the last thing I wanted. I wanted forever. So what if we barely knew each other? Statistically speaking, our odds were as good as anyone's. Until the annulment papers landed on my doorstep...*

Filthy Rich

Everyone kisses the ground Alec Grayson walks on. I mean, literally. Girls kneel on the dirty sidewalk to kiss his lack-luster Hollywood star. But not me. I detest the swagger and million-watt smile that makes every other woman melt. In fact, I 've made it my call of duty to loathe the guy whenever he walks into my office building. He 's my worst nemesis, and everyone knows it. Including him. But then he puts a stupid proposition on the table. He needs a monogamous relationship with a pretend girlfriend so he can get the best film role of his life—the one that will get him an Oscar. And all we have to do is lie to the entire world. Can we pull it off? Maybe. If we can tolerate each other long enough. But then this crazy thing happens one night... He plants a single fervent kiss on my reluctant lips. The kiss is fake, no doubt. After all, he 's an excellent actor. Problem is... It turns my world upside down and makes me reconsider everything. \*\*This is one of those steamy romance novels that will keep you up all night. It is hot and it 's a page-turner. If you don 't like that... don 't get this book.
