January 2015 Cumulative Pocket Part The Litigation Handbook On West Virginia Rules of Civil Procedure - Fourth Edition provides a meaningful and thorough starting point for any practitioner seeking a fundamental understanding of the application of the West Virginia rules of civil procedure. For ease and convenience, the material in this new Handbook has been organized to correspond with actual rule citations. For example, § 12(b)(6) of the Handbook corresponds with Rule 12(b)(6) of the rules of civil procedure. Therefore, if a practitioner knows the particular rule citation under consideration, he or she need only find the corresponding section citation in this Handbook for a discussion of the particular rule. The Fourth Edition cites per curiam opinions issued by the state Supreme Court and also provides federal case law construing the federal rules of civil

procedure. As the practitioner knows, West Virginia's rules of civil procedure are patterned after the federal rules. With this knowledge in mind, the Handbook offers as persuasive authority federal decisions construing the federal rules. As a practical matter, the Handbook limits its use of federal case law to areas that the state Supreme Court has not issued controlling opinions upon. This Handbook is an invaluable tool for both the bench and bar. Order *Litigation Handbook on West Virginia Rules of Civil Procedure Fourth Edition* for your office today!
