

### Nba Superstars 2018 Wall Calendar

This is not your average quiz book. This bumper football quiz book contains over 750 questions from an extraordinary range of topics about America's most loved sport. Great gift for football fans. Learn unique new facts about football and the NFL that no one else knows! Compete against family and family. Exclusive rounds including the stadiums, controversies's, all Fantastic Christmas or birthday present. Suitable for teens and adults!

This book examines the often-complex relationships between issues of gender and the environment in science fiction films and fiction. Its contributors discuss a range of texts: early apocalyptic science fiction, campy midcentury science fiction films, Silver Age superhero comics, and twenty-first-century science fiction films and literature.

“Like Curt Flood and Oscar Robertson, who paved the way for free agency in sports, Ed O’Bannon decided there was a principle at stake... O’Bannon gave the movement to reform college sports...passion and purpose, animated by righteous indignation.” —Jeremy Schaap, ESPN journalist and New York Times bestselling author In 2009, Ed O’Bannon, once a star for the UCLA Bruins and a first-round NBA draft pick, thought he’d made peace with the NCAA’s exploitive system of “amateurism.” College athletes generated huge profits, yet—training nearly full-time, forced to tailor coursework around sports, often pawns in corrupt investigations—they saw little from those riches other than revocable scholarships and minuscule chances. O’Bannon’s past...until he saw the video game NCAA Basketball 09. As avatars of their college selves—their likenesses, achievements, and playing styles—O’Bannon and his teammates were still making money for the NCAA. So, when asked to fight the system for players past, present, and future—and seeking no personal financial reward, but rather the chance to make a difference, he agreed to be the face of what became a landmark class-action lawsuit. Court Justice brings readers to the front lines of a critical battle in the long fight for players’ rights while also offering O’Bannon’s unique perspective on today’s NCAA recruiting scandals. From the basketball court to the court of law facing NCAA executives, athletic directors, and “expert” with innovative ideas for reform, O’Bannon breaks down history’s most important victory yet against the inequitable model of multi-billion-dollar “amateur” sports.

“Slow violence” from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Rob Nixon focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today.

How Technologies Will Change Sports in the Digital Age

FROM THE WINNERS OF THE 2019 NOBEL PRIZE IN ECONOMICS 'Wonderfully refreshing. . . A must read' Thomas Piketty In this revolutionary book, prize-winning economists Abhijit V. Banerjee and Esther Duflo show how economics, when done right, can help us solve the thorniest social and political problems of our day. From immigration to inequality, slowing growth to accelerating climate change, we have the resources to address the challenges we face but we are so often blinded by ideology. Original, provocative and urgent, Good Economics for Hard Times offers the new thinking that we need. It builds on cutting-edge research in economics - and years of exploring the most effective solutions to alleviate extreme poverty - to make a persuasive case for an intelligent interventionism and a society built on compassion and respect. A much-needed antidote to polarized discourse, this book shines a light to help us appreciate and understand our precariously balanced world.

A stunning collection of short stories originally commissioned by The New York Times Magazine as the COVID-19 pandemic swept the world, from twenty-nine authors including Margaret Atwood, Tommy Orange, Edwidge Danticat, this year's National Book Award winner Charles Yu, and more. When reality is surreal, only fiction can make sense of it. In 1353, Giovanni Boccaccio wrote The Decameron: one hundred nested tales told by a group of young men and women passing the time at a villa outside Florence while waiting out the gruesome Black Death, a plague that killed more than 25 million people. Some of the stories are silly, some are bawdy, some are like fables. In March 2020, the editors of The New York Times Magazine created The Decameron Project, an anthology with a simple, time-spanning goal: to gather a collection of stories written as our current pandemic first swept the globe. How might new fiction from some of the finest writers working today help us memorialize and understand the unimaginable? And what could be learned about how this crisis will affect the art of fiction? These twenty-nine new stories, from authors including Margaret Atwood, Tommy Orange, Edwidge Danticat, Charles Yu, Rachel Kushner, Colm Toibin, and David Mitchell vary widely in texture and tone. Their work will be remembered as a historical tribute to a time and place unlike any other in our lifetimes, and will offer perspective and solace to the reader now and in a future where COVID-19 is, hopefully, just a memory. Table of Contents: “ Preface ” by Caitlin Roper “ Introduction ” by Rivka Galchen “ Recognition ” by Victor LaValle “ A Blue Sky Like This ” by Mona Awad “ The Walk ” by Kamila Shamsie “ Tales from the LA River ” by Colm T ó ib í n “ Clinical Notes ” by Liz Moore “ The Team ” by Tommy Orange “ The Rock ” by Leila Slimani “ Impatient Griselda ” by Margaret Atwood “ Under the Magnolia ” by Yiyun Li “ Outside ” by Etgar Keret “ Keepsakes ” by Andrew O ’ Hagan “ The Girl with the Big Red Suitcase ” by Rachel Kushner “ The Morningside ” by T é a Obrecht “ Screen Time ” by Alejandro Zambra “ How We Used to Play ” by Dinaw Mengestu “ Line 19 Woodstock/Glisan ” by Karen Russell “ If Wishes Was Horses ” by David Mitchell “ Systems ” by Charles Yu “ The Perfect Travel Buddy ” by Paolo Giordano “ An Obliging Robber ” by Mia Couto “ Sleep ” by Uzodinma Iweala “ Prudent Girls ” by Rivers Solomon “ That Time at My Brother ’ s Wedding ” by Laila Lalami “ A Time of Death, The Death of Time ” by Juli á n Fuks “ The Cellar ” by Dina Nayeri “ Origin Story ” by Matthew Baker “ To the Wall ” by Esi Edugyan “ Barcelona: Open City ” by John Wray “ One Thing ” by Edwidge Danticat

An Atria Book. Atria Books has a great book for every reader.

Every time we choose a route to work, decide whether to go on a second date, or set aside money for a rainy day, we are making a prediction about the future. Yet from the global financial crisis to 9/11 to the Fukushima disaster, we often fail to foresee hugely significant events. In The Signal and the Noise, the New York Times' political forecaster and statistics guru Nate Silver explores the art of prediction, revealing how we can all build a better crystal ball. In his quest to distinguish the true signal from a universe of noisy data, Silver visits hundreds of expert forecasters, in fields ranging from the stock market to the poker table, from earthquakes to terrorism. What lies behind their success? And why do so many predictions still fail? By analysing the rare prescient forecasts, and applying a more quantitative lens to everyday life, Silver distils the essential lessons of prediction. We live in an increasingly data-driven world, but it is harder than ever to detect the true patterns amid the noise of information. In this dazzling insider's tour of the world of forecasting, Silver reveals how we can all develop better foresight in our everyday lives.

In life, just as in sports, you miss all of the shots you don’t take. ‘Shoot Your Shot’ provides a unique and entertaining approach to the self-help book genre by identifying the key principles that the world’s most elite basketball players--such as Michael Jordan, Kobe Bryant, LeBron James, and Stephen Curry--have applied to their lives and relates how you, the reader, can use those exact same principles to help you navigate through life and realize your dreams. Divided into “Quarters” and reading as if you are in an actual game, ‘Shoot Your Shot’ provides a never-before-seen yet effective and enjoyable approach on how to accomplish your goals and attain success. By utilizing examples of techniques employed on the court, the stories of current and former NBA players and personnel, as well as personal recollections from the author, ‘Shoot Your Shot’ gives you the winning formula on how to live your best life. This book is perfect for any age, background, and standing in life!

A WORLDWIDE PHENOMENON The Sports Illustrated Swimsuit Issue has captured imaginations for 50 years with its annual celebration of the world’s most exquisite bodies. From cover girls Christie Brinkley to Heidi Klum to Kate Upton, this yearly publishing sensation has launched the careers of so many supermodels. Elle, Tyra and Brooklyn have become household names. In Swimsuit: 50 Years of Beautiful, SI reveals the inside story of how what began as an eight-page travel piece has emerged as one of the most powerful--and hotly anticipated--media events of the year, with a global audience of more than 70 million. This alluring anniversary edition features: Star athletes in swimsuits The magic of bodypainting Never-before-seen outtakes All the iconic covers Every model who has graced the issue is here, from Cheryl Tiegs in her fishnet suit to Kathy Ireland and her record 12 appearances. Swimsuit: 50 Years of Beautiful is the definitive account of an extraordinary publication illuminated by hundreds of unique and breathtaking photographs--stunning women in captivating poses in exotic locales. Beautiful.

The perfect gift, and the easiest gift—because we all know someone who deserves a pat on the back, a big thumbs-up, or just a special thank-you! You Are Doing a Freaking Great Job is a vibrant, colorful, pocket-size book of encouragement. Created by more than 20 artists and designers—from the well-known Etsy favorites Emily McDowell and Mary Kate McDevitt, to emerging talents Lindsay Whitehead and J. Zachary Keenan—this powerful little book is filled with nearly 200 uplifting and inspiring quotes, lyrics, and words of advice rendered in the original hand-lettered style of art that is pinned and repinned on Pinterest and sold on Etsy. There are mantras: “You are in charge of your own happiness.” Galvanizing words of action: “Make it now.” Heartening quotes: “You are capable of more than you know.” Bursts of motivation: “Be a Warrior, Not a Worrier” and “Spread Your Arms and Trust Your Cape.” Interweaved throughout is complementary text—including surprising playlists, sweet and simple recipes, and suggestions for inspirational films to watch and commencement speeches to read.

This book outlines the effects that technology-induced change will have on sport within the next five to ten years, and provides food for thought concerning what lies further ahead. Presented as a collection of essays, the authors are leading academics from renowned institutions such as Massachusetts Institute of Technology, Queensland University of Technology, and the University of Cambridge, and practitioners with extensive technological expertise. In their essays, the authors examine the impacts of emerging technologies like artificial intelligence, the Internet of Things, and robotics on sports and assess how they will change sport itself, consumer behavior, and existing business models. The book will help athletes, entrepreneurs, and innovators working in the sports industry to spot trendsetting technologies, gain deeper insights into how they will affect their activities, and identify the most effective responses to stay ahead of the competition both on and off the pitch.

NEW YORK TIMES EDITORS’ CHOICE • Big Tobacco meets Silicon Valley in this “deeply reported and illuminating” (The New York Times Book Review) corporate exposé of what happened when two of the most notorious industries collided—and the vaping epidemic was born. “The best business book I’ve read since Bad Blood.”—Jonathan Eig, New York Times bestselling author of Ali: A Life Howard Willard lusted after Juul. As the CEO of tobacco giant Philip Morris’s parent company and a veteran of the industry’s long fight to avoid being regulated out of existence, he grew obsessed with a prize he believed could save his company—the e-cigarette, a product with all the addictive upside of the original without the same apparent health risks and bad press. Meanwhile, in Silicon Valley, Adam Bowen and James Monsees began working on a device that was meant to save lives and destroy Big Tobacco, but they ended up baking the industry’s DNA into their invention’s science and marketing. Ultimately, Juul’s e-cigarette was so effective and so market-dominating that it put the company on a collision course with Philip Morris and sparked one of the most explosive public health crises in recent memory. In a deeply reported account, award-winning journalist Lauren Etter tells a riveting story of greed and deception in one of the biggest botched deals in business history. Etter shows how Philip Morris’s struggle to innovate left Willard desperate to acquire Juul, even as his own team sounded alarms about the startup’s reliance on underage customers. And she shows how Juul’s executives negotiated a lavish deal that let them pocket the lion’s share of Philip Morris’s \$12.8 billion investment while government regulators and furious parents mounted a campaign to hold the company’s feet to the fire. The Devil’s Playbook is the inside story of how Juul’s embodiment of Silicon Valley’s “move fast and break things” ethos wrought havoc on American health, and how a beleaguered tobacco company was seduced by the promise of a new generation of addicted customers. With both companies’ eyes on the financial prize, neither anticipated the sudden outbreak of vaping-linked deaths that would terrorize a nation, crater Juul’s value, end Willard’s career, and show the costs in human life of the rush to riches—while Juul’s founders, board members, and employees walked away with a windfall.

Sixty years on from 1950s Los Angeles, No Helmets Required tells the story of 20 young American footballers convinced by entrepreneur Mike Dimitro to fly off around the world playing rugby league - a game they’d never even heard of. Miraculously, the American All Stars competed with the best Australia, New Zealand and France had to offer, and shocked the locals with some stunning victories. Yet beyond the media circus and celebrity adventures, the All Stars had fights and flings, suffered tragic illness and farcical court cases. Dimitro’s mission to establish rugby league in the United States failed in spectacular fashion - though one All Star went on to win the Super Bowl, one became a Hollywood stuntman and another an Olympic champion. One player founded a church; another was murdered. The emergence of their remarkable story coincides with the USA’s first ever qualification for the Rugby League World Cup, in 2013.

Calling all space lovers! Filled with space jokes, riddles, fun facts, tongue twisters, limericks, cartoons, puzzles, and activities, this comical cosmic collection also includes a list of 88 constellations and tips for finding some of them. This edition of Importing Into the United States contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. Importing Into the United States provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.

New York Times Bestseller The record-holding two-time NBA champion and recently inducted hall-of-famer reflects on his work ethic, his on-the-court friendships and rivalries, the great teams he's played for, and what it takes to have a long and successful career in this thoughtful, in-depth memoir. Playing in the NBA for eighteen years, Ray Allen won championships with the Boston Celtics and the Miami Heat and entered the record books as the original king of the three-point shot. Known as one of the hardest-working and highest-achieving players in NBA history, this most dedicated competitor was legendary for his sharp shooting. From the Outside, complete with a foreword by Spike Lee, is his story in his words: a no-holds-barred look at his life and career, filled with behind-the-scenes stories and surprising revelations about the game he has always cherished. Allen talks openly about his fellow players, coaches, owners, and friends, including LeBron James, Kobe Bryant, and Kevin Garnett. He reveals how, as a kid growing up in a military family, he learned about responsibility and respect—the key to making those perfect free throws and critical three-point shots. From the Outside is the portrait of a gifted athlete and a serious man with a strongly defined philosophy about the game and the right way it should be played—a philosophy that, at times, set him apart from colleagues and coaches, while inspiring so many others, and lead to the most pivotal shot of his career: the unforgettable 3-pointer in the final seconds of Game 6 of the 2013 NBA finals against the San Antonio Spurs. Throughout, Allen makes clear that success in basketball is as much about what happens off the court as on, that devotion and commitment are the true essence of the game—and of life itself.

Baseball "by The Book."

In this highly entertaining and insightful memoir, one of television’s most respected broadcasters interweaves the story of his life and career with lively firsthand tales of some of the most thrilling events and fascinating figures in modern sports. No sportscaster has covered more major sporting events than Al Michaels. Over the course of his forty-plus year career, he has logged more hours on live network television than any other broadcaster in history, and is the only play-by-play commentator to have covered all four major sports championships: the Super Bowl, World Series, NBA Finals, and the Stanley Cup Final. He has also witnessed first-hand some of the most memorable events in modern sports, and in this highly personal and revealing account, brings them vividly to life. Michaels shares never-before-told stories from his early years and his rise to the top, covering some of the greatest moments of the past half century—from the “Miracle on Ice”—the historic 1980 Olympic hockey finals—to the earthquake that rocked the 1989 World Series. Some of the greatest names on and off the field are here—Michael Jordan, Bill Walton, Pete Rose, Bill Walsh, Peyton and Eli Manning, Brett Favre, John Madden, Howard Cosell, Cris Collinsworth, and many, many more. Fortright and down-to-earth, Michaels tells the truth as he sees it, giving readers unique insight into the high drama, the colorful players, and the heroes and occasional villains of an industry that has become a vital part of modern culture.

*Finalist, League of Canadian Poets' Gerald Lampert Memorial Award Oneiric, fabulist, hilarious, surreal. No single term seems to sufficiently contain Mikko Harvey's delightful, cheeky, absurdist, inimitable debut collection. A bomb and a raindrop make small talk as they fall through the air; a trip to the phlebotomist evolves into a nightmarish party; a boy finds himself turning into a piano key. Reading Unstable Neighbourhood Rabbit is like spending the day at the strangest amusement park you've ever seen. At first the rides appear familiar, then you realize they possess the power to not merely thrill and terrify, but also to destabilize your very notion of "amusement." These poems veer sharply away from what's normally expected from poetry, landing readers instead in that awkward, lonely, interior space where we may be most ourselves. Along with beauty and humour, there is menace here, the threat of disfigurement and death around every turn. But somehow, Harvey manages to make that menace, too, a place of wonder.*

*An opinionated tour of the past, present, and future of pro basketball, written by ESPN's "Sports Guy" columnist, shares insights on everything from major NBA events and underrated players to how Hall of Famers should be selected.*

*The Boy Who Became King is the inspiring true story of NBA superstar LeBron James. This Fully Illustrated picture book biography tells the story of a young boy and his loving, single mother and their struggle to make it on their own. With the help of a coach and his family, LeBron is introduced to the game of basketball. Against all odds, "the kid from Akron" not only makes it to the NBA but becomes a basketball legend who now helps others who are struggling like he and his mother once were. Children's/Kids Picture Book Biography K-6 Be sure to check out the new release: NFL All Stars 2017: Coloring and Activity Book for Adults and Kids featuring 30+ of today's hottest stars including Ezekiel Elliott, Tom Brady, Julio Jones, Aaron Rodgers, Russell Wilson and so many more!*

*This book is designed as a comprehensive educational resource not only for basketball medical caregivers and scientists but for all basketball personnel. Written by a multidisciplinary team of leading experts in their fields, it provides information and guidance on injury prevention, injury management, and rehabilitation for physicians, physical therapists, athletic trainers, rehabilitation specialists, conditioning trainers, and coaches. All commonly encountered injuries and a variety of situations and scenarios specific to basketball are covered with the aid of more than 200 color photos and illustrations. Basketball Sports Medicine and Science is published in collaboration with ESSKA and will represent a superb, comprehensive educational resource. It is further hoped that the book will serve as a link between the different disciplines and modalities involved in basketball care, creating a common language and improving communication within the team staff and environment.*

Moneyball meets The City Game in this compelling look at how the NBA champion Golden State Warriors embraced savvy business practices, next-gen science, and the corporate culture of Silicon Valley to not only produce one of the greatest basketball teams in history but also revolutionize the NBA. Discover the definitive, inside account of how the Warriors, under the leadership of venture capitalist Joe Lacob and Hollywood producer Peter Guber, quickly became one of the most remarkable success stories ever, both in sports and business. In just five years, they turned a declining franchise with no immediate hope into one of the greatest teams in basketball, a period that included the rise of All-Star point guard Stephen Curry and two NBA championships in the past three years. By operating in "beta"—always innovating, unafraid to embrace change, encouraging risk—the Warriors have become a model organization for American professional sports, instituting the best workplace principles found inside the world's most successful corporations and instilling a top-down organizational ethos that allows their employees to thrive, from the front office to the free-throw line. With in-depth access and meticulous reporting on and off the court, acclaimed journalist Erik Malinowski recounts a gripping tale of worlds colliding, a team's reinvention, ordinary people being pushed to extraordinary heights, and the Golden State Warriors' unending quest to remain the best.

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. \_\_\_\_\_ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian \_\_\_\_\_ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, My Body marks the debut of a fierce writer brimming with courage and intelligence.

The word legend is thrown around all too easily these days, but there can be no doubt that the NBA players featured in this book are the very best to have ever graced a basketball court. They are true legends of the game. Spanning the decades and covering all the league's most iconic eras, this book uncovers the fascinating stories and incredible accomplishments of the greatest basketball players. From the game's first superstars, Wilt Chamberlain, Bill Russell, and Jerry West, to the modern-day greats of the late Kobe Bryant, LeBron James, and Kevin Garnett. There are also in-depth features on Lakers legends Magic Johnson, Kareem Abdul-Jabbar, and Shaquille O'Neal, as well as Celtics great Larry Bird, while it also explores 23 reasons why Michael Jordan is the greatest of all time. It's not just about great players, though. Without great coaches there would be no great players, legendary teams, or memorable matchups. That's why this book also runs down the 10 most successful and influential coaches from NBA history, looks back at the 10 greatest championship-winning teams, and relives 10 of the best ever games. It also includes a review of the 50 most iconic NBA players of all time.

*In 1926, radium was a miracle cure, Madame Curie an international celebrity, and luminous watches the latest rage- until the girls who painted them began to fall ill with a mysterious disease. Inspired by a true story, Radium Girls traces the efforts of Grace Fryer, a dial painter, as she fights for her day in court. Her chief adversary is her former employer, Arthur Roeder, an idealistic man who cannot bring himself to believe that the same element that shrinks tumors could have anything to do with the terrifying rash of illnesses among his employees. As the case goes on, however, Grace finds herself battling not only with the U.S. Radium Corporation, but also with her own family and friends, who fear that her campaign for justice will backfire.*

*"Thrilling," —Publishers Weekly (starred) | "Riveting." —Library Journal (starred) | "A fascinating look at a fascinating life." —Roland Lazenby, author of Michael Jordan The definitive biography of Steve Kerr, the championship-winning basketball player and head coach of the record-breaking Golden State Warriors Few individuals have had a career as storied, and improbable, as Steve Kerr. He has won eight NBA titles—five as a player and three as a coach—for three different franchises. He played alongside the best players of a generation, from Michael Jordan to Shaquille O'Neal to Tim Duncan, and learned the craft of basketball under four legendary coaches. He was an integral part of two famed NBA dynasties. Perhaps no other figure in basketball history has had a hand in such greatness. In Steve Kerr, award-winning sports journalist Scott Howard-Cooper uncovers the fascinating life story of a basketball legend. Kerr did not follow a traditional path to the NBA. He was born in Beirut to two academics and split his childhood between California and the Middle East. Though he was an impressive shooter, the undersized Kerr garnered almost no attention from major college programs, managing only at the last moment to snag the final scholarship at the University of Arizona. Then, during his freshman season at Arizona, tragedy struck. His father, Malcolm, then the president of the American University of Beirut, was assassinated in Lebanon by terrorists. Forged by the crucible of this family saga, Steve went on to chart an unparalleled life in basketball, on the court and on the sidelines. The only coach other than Red Auerbach to lead a team to the Finals five consecutive seasons, Kerr seems destined for the Basketball Hall of Fame. Steve Kerr is his incredible story, offering insights into the man and what it takes to be—and make—a champion. Drawing upon Scott Howard-Cooper's years covering Warriors, deep archival research, and original interviews with more than one hundred of the central characters in Kerr's life, this is basketball biography at its finest.*

*A memoir by the NBA Hall of Fame player, active from 1977-1993 and widely regarded as one of the all-time great New York Knicks. NBA Hall of Famer Bernard King is one of the most dynamic scorers in basketball history. King was notoriously private as a player, and rarely spoke to the press-not about his career and never about his personal life. And even beyond his prolific scoring, King will forever be remembered for the gruesome knee injury he suffered in 1985. Doctors who told him he'd never play again were shocked when he not only became the first player to return to the NBA from a torn ACL, but returned at an All Star level. In Game Face, King finally opens up about his life on and off the court. In his book, King's basketball I.Q. is on full display as he breaks down defenses using his own unique system for taking shots from predetermined spots on the floor. King talks about matching up against some of the all-time NBA greats, from Michael Jordan, Julius Erving and Charles Barkley to Larry Bird, Patrick Ewing and many others. He also tackles issues of race and family off the court, as well as breaking a personal cycle of negativity and self-destructiveness with the help of his family. Engaging, shocking, revelatory, yet always positive and upbeat, Bernard King's memoir appeals to multiple generations of basketball fans.*

Using real-world examples to thoroughly involves readers with financial statements, Financial Reporting and Analysis, 9e builds skills in analyzing real financial reports through statements, exhibits, and cases of actual companies. Emphasis is placed on the analysis and interpretation of the end result of financial reporting and financial statements.

Basketball drills coupled with strong fundamentals are the key for any top basketball player. "You can practice basketball shooting eight hours a day, but if your technique is wrong, then all you become is very good at shooting the wrong way. Get the fundamentals down and the level of everything you do will rise."- Michael Jordan. People believe that in order to excel at anything in life practice is absolutely essential. What most people will not tell you is that without technique, discipline and character no amount of practice will help you achieve your goal, especially when it comes to basketball. James Wilson has been coaching basketball in 20 countries over the past 30 years and can he has got considerable experience in teaching the game. Perhaps he knows more about it than an average coach. Throughout this time James Wilson has developed a core philosophy regarding the game, which works on several important skills for effective basketball conditioning. Today he wants to share this unique knowledge with you. This book, "How to Be Better At Basketball in 21 days" is a rigorous program designed for amateurs and professionals alike. It is guaranteed to improve your form, develop new basketball skills and get you in perfect conditioning before the start of a new season. You will also discover: \* Basketball drills that can help you develop basic skills and challenge more advanced players. \* Tips on how to increase your basketball shooting accuracy. \* Most effective ways for better ball handling and better crossovers. \* Why you have been failing to improve your basketball skills! \* Ways to get stronger at basketball and improve your athleticism. \* How to toughen your mental state so that you play with confidence, courage, and control. \* How to be a key player in helping your team win basketball games! Grab your copy now and follow our unique 21-Day Program that will take your basketball skills to the next level. Check Out What Others Are Saying... "Everything any basketball player that wants to improve needs to read. This will help any player at any level of play." "This book is the best. If you want to get better at basketball get this book. I highly recommend it." - Rocko (USA)

Learn the Inspiring Story of the Milwaukee Bucks' Rising Star Giannis Antetokounmpo! Read on your PC, Mac, smartphone, tablet or Kindle device. This holiday season, if you buy the print edition as a gift, you can keep the Kindle edition for yourself! In Giannis Antetokounmpo: The Inspiring

Story of One of Basketball's Rising Superstars, you will learn the inspirational story of one of basketball's most promising young stars, Giannis Antetokounmpo. Often nicknamed "The Greek Freak", Giannis Antetokounmpo has quickly emerged as one of the most unique players in the league today.

His incredible wingspan and athleticism have made him a dominant presence on both the offensive and defensive ends of the basketball court. He is easily one of the most difficult defensive assignments for opposing teams due to his ability to not only start as a forward, but also as a guard. In just four years, Giannis Antetokounmpo has gone from averaging 6.8 points per game to 22.9 points per game. He has also quickly become the face of the Milwaukee Bucks franchise. There is still much to be unveiled in the career of Giannis Antetokounmpo. At the time of this writing, Giannis is just twenty-two years old. In this book, we'll learn more about The Greek Freak's journey into the NBA, his impact on the game, and his growing legacy as one of the best up and coming stars to make his presence known in basketball. Here is a preview of what is inside this book: Childhood and Early Life NBA Career: Getting Drafted, Rookie Season, Working Under Jason Kidd, The Largest Point Guard in the League, and Becoming an All-Star International Career Personal Life Giannis Antetokounmpo's Player Profile and Impact on Basketball Antetokounmpo's Future An excerpt from the book: The NBA loves those rags to riches stories about how a person that lived and grew up through poverty worked his way up to get to the league, not only as an ordinary player, but a superstar ranking among the best in the world. These are the kinds of stories that makes the people adore the player and what he has been through to get to the top. More importantly, these are the stories that inspire young children to work just as hard, if not harder, than their idol to reach the success they aspire to achieve. Several of the greatest players in league history have had to endure poverty before they found success in the NBA. Allen Iverson barely had a home growing up before he starred at Georgetown. In his MVP speech back in 2014, Kevin Durant said that his mother raised him and his brother alone while the family moved from roof to roof. The same was true for LeBron James, who was raised alone by his mother when she was still 16 years old. These players not only earned millions as NBA superstars, but have also become fan favorites because of how they worked themselves up to get to the league. Likewise, the NBA has also found a liking for players that were seemingly genetically engineered to dominate in the game of basketball. These are the types of players that, at a glance, were naturally destined to be a great because of the physical tools they possess. If the NBA was a horse race, these kinds of players are your thoroughbreds judging by how much more physically gifted and talented they are than the rest of the competition. Dear Die-Hard Fan: your ultimate Atlanta Braves trivia book comes with 15 chapters chock-full of questions, answer pages, and fun factoids about your favorite team. Quiz Night coming? Be ready! Have a blast with your trivia book all about the incredible Atlanta Braves!**

**Interviews with sports stars, activists, surviving family members, and others fighting racial injustice: "Before Kaepernick, there was Etan Thomas."--TheNew York Times A Library Journal Best Book of the Year Professional athletes have long been influential figures in American life. Today, many of them are using their platforms to speak up about injustice and inequality. This book features interviews by former NBA player Etan Thomas with over fifty athletes, executives, media figures, and more--interwoven with essays and critiques by Thomas. Includes personal stories and opinions from: Kareem Abdul-Jabbar, Bill Russell, Dwyane Wade, Russell Westbrook, Steve Kerr, Oscar Robertson, Mark Cuban, Michael Bennett, Carmelo Anthony, Derrick Rose, Swin Cash, Alonzo Mourning, Chris Webber, Jemele Hill, Anquan Boldin, Jamal Crawford, Juwan Howard, Ray Jackson, Shannon Sharpe, James Blake, John Carlos, Laila Ali, Michael Eric Dyson, Joakim Noah, Eric Reid, Adam Silver, Soledad O'Brien, John Wall, Mahmoud Abdul-Rauf, Bradley Beal, Tamika Catchings, Curtis Conway, Harry Edwards, Chris Hayes, Chamique Holdsclaw, Scoop Jackson, Bomani Johns, Shaun King, Jimmy King, Ted Leonsis, Thabo Sefolosa, Ilyasah Shabazz, Torrey Smith, Kenny Smith, Michael Smith, David West, Michael Wilbon, Jahvaris Fulton (brother of Trayvon Martin), Emerald Snipes (daughter of Eric Garner), Allysza Castile (sister of Philando Castile), Valerie Castile (mother of Philando Castile), and Dr. Tiffany Crutcher (sister of Terence Crutcher) "In We Matter, Thomas strives to show the influence professional athletes can have when they join the conversation on race, politics, and civil rights. Thomas conducted 50 interviews, which included Kareem Abdul-Jabbar, Bill Russell, Laila Ali, Michael Bennett, and Eric Reid, among many other athletes, as well as journalists, television personalities, and family members of unarmed black men who were shot and killed. Thomas also explored his ties with the Wizards and spoke with John Wall, Bradley Beal, and current majority team owner Ted Leonsis."--TheWashington Post "The honest conversations, published in transcript form and often accompanied by black-and-white photos, serve as a primer on recent police violence cases, a history lesson on the first athletes who stood up for racial injustice, an examination of the experience of being young and black in the United States, and an insightful look at how it feels to lose a loved one to tragedy, from contributors such as Jemele Hill, Kareem Abdul-Jabbar, and Carmelo Anthony...An important read, executed uniquely."--School Library Journal (starred review) "Voices of pain, anger, and hope resound through these pages--and through the reader's heart."--Kirkus Reviews**
