Present answers to the most common questions concerning the major concepts of project management as found in A Guide to the Project Management Body of Knowledge (PMBOK Guide). Fourth Edition. Original.

Prepare for the PMP certification exam in a unique and inspiring way with Head First PMP. The second edition of this book provides 100% coverage of the latest principles and certification objectives offered in The PMBOK Guide, 4th edition, with a visually rich format is designed for the way your brain works. You'll find a full-length sample exam included inside the book. Using the latest research in neurobiology, cognitive science, and learning theory, Head First PMP offers you a multi-sensory experience that helps the material stick, not a text-heavy approach that puts you to sleep. You get a thorough and effective preparation guide with hundreds of practice questions and exam strategies, along with puzzles, games, problems, and exercises that make learning easy and entertaining. More than just passing a test, a PMP certification means that you have the knowledge to solve most common project problems, but studying for a difficult four-hour exam on project management isn't easy, even for experienced project managers. The book teaches underlying concepts so that you can understand the PMBOK principles and pass the certification exam with flying colors. Head First PMP puts project management principles into context to help you understand, remember, and apply them -- not just on the exam, but also on the job.

This is the only comprehensive guide to getting ready to pass the Project Management Professional (PMP(R)) Certification Exam. This third edition is current and complete with 60 more pages and over 600 changes from the last edition. Tells you what to study and how to study and helps increase your confidence. This book has been selected by Project Management Institute (PMI(R)) for their only PMP review class in 1999 and by many PMI chapters for the chapter PMP review classes.

Review Material, Explanations, Insider Tips, Exercises, Games, and Practice Exams to Pass PMI's PMP Exam

An all-inclusive, self-study guide for the PMI's Project Management Professional (PMP) certification exam, this kit provides all the information project managers need to thoroughly prepare for the test. It contains the book The PMP Exam: How to Pass on Your First Try; hundreds of flash cards to help with memorization of key points; a laminated quick reference guide; a six-month online subscription to the PMP course in InSite (the top PMP e-learning site); and five audio CDs featuring experts Andy Crowe, Bill Yates, and Louis Alderman discussing the main points and concepts for the exam. The included learning materials cover all the processes, inputs, tools, and outputs that will be tested, along with insider secrets, test tricks and tips, hundreds of sample questions, and exercises designed to strengthen mastery of key concepts to help you pass the exam with confidence. These days, job competition is fierce; you need an extra edge in everything you do. The Project Management Professional (PMP) credential is critical to

remaining current, marketable, and at the top of the list in the project management business. Sohel Akhter's easy-to-follow Project Management Professional (PMP) Certification Exam Prep covers everything you need to know to pass your exam. Sohel's book will get you those credentials in short order. His study guide is informative, covering exactly what you need to know, and organized in the perfect format for certification exam prep. His writing is clear and free of unnecessary bloviations that only clutter the studying process. After fourteen years in the field, including six years teaching a PMP exam boot camp, the author now offers his simple, clear approach to successfully passing your PMP and CAPM certification exams. The ultimate in exam prep is finally here. You cannot lose with Sohel's Project Management Professional (PMP) Certification Exam Prep. With the recent content update of 2021, It is more important that the PMP aspirant's mindset needs to be more agile and focused on the project life cycle with an understanding of broader concepts. The book is updated to ensure that it is aligned with the latest update of the PMP exam content outline for 2021. The new exam is 180 questions with two breaks of 10 mins each. That would mean that the exam is divided into three sections having 60 questions each. Each section is independent and has to be attempted as full. Once a section is closed, you can not come back to it to review.. The result of the exam is displayed only after the third section, i.e., section C. The questions are changed to multi-answer, drag, and drop, and TRUE/FALSE. All those changes are reflected in the new book. You have the best resource for the PMP examination preparation. Go ahead and start the 21 Days plan. The 21 days plan is given for the preparation - kindly follow to get the best outcome. This book is written with the assumption that you have gone through the 35 PDU course. The book is primarily written to revise the topics and evaluate your knowledge and build the missing pieces if any. The book does not have 3 full-length questions, and you can check lms.kavitasharma.net to get the full-length questions (buy them) or use any other question bank. The idea is to practice as many questions as possible to simulate the PMP exam before the final exam. With this, I wish you success. You have an excellent resource with you, follow the plan, and you will be successful. All the best. Kavita Sharma - Significant Contributor PMBOK
