We live in a day and age where information is very abundant and easy to acquire - and that includes entertainment. Just a generation ago, you would need a separate device for listening to music, watching videos and for viewing your personal files created on a personal computer, among others. And if you're a bookworm, your only options for reading your favorite books were the thick, physical book. But today, you can do all of them with just one portable device. And one of the best devices is the Kindle Fire tablet. While it's true that the Kindle Fire tablet is a very user-friendly device, it would still do you well to read a user's guide to optimize your Kindle Fire-using experience. And this is what this book's about. Here, you'll get a rundown on the device's basic operations, basic troubleshooting, care and maintenance, and the best apps to install on your device that will really make your Kindle Fire more than just a great personal entertainment device. So if you're ready, turn the page and start optimizing your Kindle Fire tablet!
