websites, comes a collection of funny, shocking, and sometimes disturbing journalistic slip-ups and corrections. On display are all types of media inaccuracies - from "fuzzy math" to "obiticide" (printing the obituary of a person very much alive and well) to complete and utter ethical lapses. While some of the errors can be laugh-out-loud funny, the book contains a sobering journey through the history of media mistakes (including the outrageous hoaxes that dominated newspapers during the
